

CURRICULUM VITAE
Ibrahim MAHMOUD
(MBBS, Gcert. (Epi), MSc, MPH, PhD)

Assistant Professor
 College of Medicine, University of Sharjah
 P.O. Box: 27272 Sharjah, U.A.E
 Email: tabat214@gmail.com
 Mobile: +971544381209 Tel: +97165057291

Education

- **Doctor of Philosophy in Public Health (Epidemiology)** 2014
 School of Public Health & Social Work, Queensland University of Technology
 (Australia)
- **Graduate Certificate of Epidemiology** 2010
 University of Queensland (Australia)
- **Master of Public Health** 2010
 Griffith University (Australia)
- **Master of Science (Microbiology)** 2005
 Griffith University (Australia)
- **Bachelor of Medicine & Bachelor of Surgery (MBBS)** 1998
 University of Gezira (Sudan)

Employment

- **Assistant Prof**, Department of Family & Community Medicine, College of Medicine, University of Sharjah (2016-Present)
 - Contributing to the intellectual life of the college by engaging in high quality core teaching
 - Conducting researches and Supervising students' research projects
 - Participating in activities relating to departmental administration and management and college-wide service
- **Research Manager**: Department of Emergency Medicine, the Royal Brisbane & Women's Hospital. (2014-2016)

Duties:

- Responsible for the day to day management of researches, including training and supervising research staff on site and submitting grants and ethics applications
 - Providing consultative services to enhance the investigator's understanding in clinical trial, conduct responsibilities and obligations
 - Performing all tasks related to clinical and non-clinical research.
 - Preparing of protocols, proposals, reports, forms, IPPs, and other documents
 - Creating and maintaining electronic and paper research project files
 - Providing educational training on basic and advanced courses in Epidemiology and Research
 - Conferring with principal investigator(s) in developing plans for research projects and to discuss the interpretation of results, collaborating on the preparation of manuscripts for publication
 - Reviewing journals, abstracts and scientific literature
- **Senior Lecturer (Adjunct):** School of Medicine- Queensland University (2014- 2016)
 - **Epidemiology Tutor:** Undergraduate students and AusAid Master students- Queensland University of Technology (2010-2014)
 - **Microbiology Scientist:** Queensland Central Laboratory at the Royal Brisbane & Women's Hospital (RBWH) 948 beds. The laboratory operates 24/7 and covers work from all Queensland State public hospitals. (2008-2014)
 - **Microbiology Scientist:** Queensland Medical Laboratory (QML) Pathology. (2005-2008)
 - **Research Assistant:** Meningitis and malaria programs, Gezira University Laboratory, Sudan. (1999-2000)

Skills Summary

- Excellent personal organisational and time-management skills, including the ability to prioritise and meet tight deadlines
- High level skills in academic writing and oral communication. Awareness of mechanisms for research results transfer to end users, scholarly dissemination through publications and presentations.
- Advanced theoretical knowledge and analytical skills, as well as methodological, research design, and information processing skills.
- Advanced knowledge of computer software including word processing and statistical packages (SPSS, STATA)
- Independence in research planning and execution including skills in project management. Competence in the execution of protocols for research health and safety, ethical conduct and intellectual property.
- Advanced skills in teamwork in research environment with ability to contribute with others to achieve a common goal.

Memberships

- Associate Member of the Australasian Epidemiologist since 2011.
- Associate Member of the Australian Society of Microbiology (ASM) since 2008.
- Associate Member of the Australian Institute of Medical Scientists (AIMS) since 2007.
