UNIVERSITY SERVICES

1. Sharing Islamic Art Festival with students work:

Supervising the students in a group work sharing ISLMIC ART FESTIVAL, in the light art work with the international artist JIM DEVIENS in Al Khan island in Sharjah.

2. Involve Year two students in Real Design project cooperated with Sharjah Youth Centers:

Redesigning AL Nasheaa Youth Center in Wasset region, Sharjah under the theme of attraction youth.

3. University of Sharjah Open Day Orientation:

Advising the high schools students and their parents with the nature of studying in Collage of Fine Arts and Design in the Orientation Day of University Of Sharjah.

4. National Day Participation by Year two students Art works:

Sharing the community and the University of Sharjah celebration with the UAE National day with booth for Collage of Fine Arts and Design, by student's work that reflects UAE nature.

5. Sharing in Sharjah Heritage Days with Year two students works:

For the first time Collage of Fine Arts & Design Share with a booth in Sharjah Heritage Days and all the exhibited works are student's art work.

6. Sharing in The Collage Faculty Show

As a Faculty I shared with couple of my works about Sustainability in Design and Heritage in Design.

7. Calligraphy workshop for Foundation year:

Inviting Mr. Khalifa Al Shemi the Official Calligraphy of HH Sheikh Sultan the Governor of Sharjah for a work shop about calligraphy types and styles.

8. Creating LOGO competition for the collage

I organized a call for submission to all CFAD students in all departments to encourage them sharing the collage the new logo.

9. Organizing site visits to Year two students to involve them in real work field

In year two it was really important to organize construction sites trips to realize the relation between the design drawings and the implementation.

10. Being part of University Committees

Students Disciplinary Committee, Publications and Research Committee, Schedules and Examination Committee, Students Affairs, College Website

11. Creating Honor Board to the collage

It was one of the most encouraging items for the students to do their best as the best projects will be hanged in the Honor board with their names.

12. Being a juror for Year four Graduation projects

I joined the jury team for graduation projects and I have several feedback to the students with reports that should had its role in projects development.

13. Joining the students to Sharjah Benallie as the most important Art event in Sharjah

We organize a trip to year two students to share the opening of Sharjah Benallie as it considered one of the most important art events in the UAE.

14. Handling students exhibition for the best projects

That was a trial for year two students to exhibit the best of their works in the collage to be admired from all other departments as a way of encouragement.

15. Attending a workshop to know how to deal with Laser machine

I joined Interior design team work in a workshop to know how to deal with the laser cutter machine in a trial to support the students in their modeling projects.

16. Organize a modeling workshop for year two students

Year two students needed to know how to create models manually with sustainable material as well environmentally friendly ones.

17. Organize Material workshop for year two students

Year two students needed a material workshop to start classify selected material for their project redesigning youth center interior design beside selecting new materials.

COMMUNITY SERVICE

- 1- Public seminar:** INDEX DESIGN TALKS DUBAI “SUSTAINABILITY ATTRACTIONS IN DESIGN”
- 2- Newspaper articles:** TASHKEEL Magazine article “ECO-ARTISTS TOWARDS SUSTAINABILTY”.
- 3- Consultancy:** Supervising the students in a group work sharing ISLMIC ART FESTIVAL, in the light art work with the international artist JIM DEVIENS in Al Khan island in Sharjah.
