- 8- Contributed in designing a **Diploma program in Occupational Health and Safety for High Secondary School Graduates** - Arab Development Institute, Saudi Arabia (2001).

## **AREAS OF INTEREST**

1. Research, Teaching and Consultation in the Environmental, Occupational Health & Safety Field.
2. Statistical Analysis using SPSS program.

## **TEACHING EXPERIENCE (COURSES TAUGHT)**

### **TEACHING PHILOSOPHY**

My teaching philosophy is based on my teaching experience and on my belief that learning should be students centered and students should be partners in the learning process

### **Environmental Health / College of Health Sciences / University of Sharjah (2005 – Present)**

#### **Bachelor of Science in Environmental Health**

- Occupational Health & Safety.
- Physical hazards Assessment & Control.
- Environmental & Occupational Hygiene Instrumentation & measurement.
- Occupational Accidents.
- Atmospheric Pollution.
- Petroleum Pollution & Environment.
- Introduction to Environmental Health.
- Local Environmental Issues.
- Graduation Project.
- Field Work.
- Research Practicum.
- Risk & Environmental Impact Assessment.

#### **Diploma in Environmental Health & Safety**

- Introduction to Environmental Health Sciences
- Occupational Health & Safety.
- Fundamental of Air Pollution.
- Environmental Sampling, Analysis & Instrumentation.
- Noise & Radiation Safety
- Graduation Project
- Field Training

### **Other Universities (Undergraduate & Postgraduate Students)**

- 1- ALQasimia University – UAE
  - Man & Environment
- 2- Department of Community Medicine, Faculty of Medicine & Health Sciences, United Arab Emirates University, United Arab Emirates.
- 3- Department of Family & Community Medicine, College of Medicine, King Faisal University, Dammam, Saudi Arabia.
  - Fundamentals of Occupational Hygiene.
  - Occupational accident & Sick Absence.
  - Noise and ionizing & non-ionizing radiation.
  - Fieldwork in Occupational Health and Safety area.
  - Research design and methodology

## **EXTERNAL EVALUATOR, EXTERNAL EXAMINER & SUPERVISION**

- 1- **External Evaluator** for College Candidate applied for promotion to the rank of Associate Professor- Abu Dhabi University – UAE.
- 2- **External Examiner** for a Master Student (Master in Public Health), Title: “Indoor Air Quality (hookah) Cafes in Ajman, UAE- Gulf Medical University”.
- 3- **Supervision**  
I supervised 95 B.Sc & Diploma students for their graduation projects

### **Examples of Graduation projects that I supervised:**

- 1- Risk Assessment of Occupational Hazards in Medical Services of the Ministry of Interior – Sharjah- UAE. Reem Hamad Alkatebi, Alya Omar Alhelali; Amna Saif Alkatebi; Latifa Rashid Alkatebi. Environmental Health Sciences, UOS, Spring 2017-18.
- 2- Qualitative Analysis of Air refreshers. Fatima Ibrahim , Dalal Sadig, Mohamed Ghaiyth, Jasem Al Jasmi. Environmental Health Sciences, UOS, Spring 2016-17.
- 3- The Quality of Air Conditioners in University of Sharjah Female Dorms. Nada Yaghi, Rim Abu Khalifa, Ashgan Saleh. Environmental Health Sciences, UOS, Spring 2016-17.
- 4- Occupational Health & Safety in the United Arab Emirates. Asma AL Shamsi, Reem AL Zaabi. Environmental Health Sciences, UOS, Spring 2016-17.
- 5- Assessment of Occupational Hazards within construction areas in Sharjah City, UAE. Jawahir BinDekhain, Meera Ibrahim, Mohammed Yunis, Nour Rashid Al Zaaabi. Environmental Health Sciences, UOS, Spring 2015-16.
- 6- Prevalence of Fire Accidents in Sharjah, UAE (2012-2015). Reem Abdallah, Moza Abdulaziz. Environmental Health Sciences, UOS, Spring 2015-16.
- 7- Environmental Assessment of Perchloroethylene in Dry Cleaning facilities in Sharjah City. Sedra Habib; Naema Al-Muhairi; Reem Ziad. Environmental Health Sciences, UOS, Spring 2014-15.
- 8- Evaluation of Environmental Parameter among Students School in Sharjah City. Reem Khalifa, Afra Almansouri. Environmental Health Sciences, UOS, Spring 2014-15.
- 9- Noise and Dust Exposure among Steel Factory Workers in Sharjah. Fatma Khalid, Maryam Mohammed, Fatma Khalil, Abdurahman Abdulla. Environmental Health Sciences, UOS, Spring 2013-14.

- 10- Assessment of Thermal Comfort, Light, and Air Quality in Sharjah Family Affairs Building. Athba Alrasheed, Najla Alshamsil. Environmental Health Sciences, UOS, Fall 2013-14.
