

# Curriculum Vitae

## October 2018

### (1) Personal Information:

**Name:** Nazik Eltayeb Musa Mustafa

**Occupation:** Assistant Professor

**Address:** Department of Environmental Health, College of Health Sciences, University of Sharjah, P.O. Box 27272 Sharjah; UAE.

Telephone: +9716 5057541

**Email:** [nmustafa@sharjah.ac.ae](mailto:nmustafa@sharjah.ac.ae)

### (2) Links:

**ORCID ID:** [orcid.org/0000-0001-9713-9743](http://orcid.org/0000-0001-9713-9743)

**Scopus Author ID:** 56116724800

**Research Gate:** [https://www.researchgate.net/profile/Nazik\\_Mustafa](https://www.researchgate.net/profile/Nazik_Mustafa)

**Google scholar webpage:**

<https://scholar.google.ae/citations?user=tDo7ME4AAAAJ&hl=en>

### (3) Qualifications:

Doctor of Philosophy in Botany (Bacteriology), University of Khartoum (thesis titled: Isolation of Bacillus and Clostridial Species from Food of Animal Origin with Special Reference to their Spores Resistance and Injury by Heat) University of Khartoum, October 2005.

Master of Public and Environmental Health (MPEH) with specialization in Food Hygiene and Safety, University of Khartoum, May 2000:

Bachelor of Science (First Class Honours) in Public and Environmental Health University of Khartoum, December 1995.

### (4) Scientific Fellowships (in descending chronological order):

1. German Academic Exchange Service (DAAD) Research fellowship at the Institute of Medical Physics and Biophysics (Universitaetsklinikum Westfaelische Wilhelms-Universitaet) **Muenster, Germany**. In this fellowship; I utilized molecular biology techniques for the identification of food-borne microorganisms by utilization of the 16S rDNA sequencing and carried identification of proteins and small components in bacterial cells by Matrix Assisted Laser Desorption/Ionization (MALDI-TOF). As well as utilization of genomic sequences from bioinformatics sources (e.g. ExPASy (Expert Protein Analysis System), MASCOT (Peptide Mass Fingerprint) and databases of UniProtKB/Swiss-Prot and UniProtKB/TrEMB to predict cell proteins structure and properties. Furthermore, I applied scanning and transmission electron microscopy to study bacterial spores. June - December 2004.
2. International Atomic Energy Agency (IAEA) training fellowship at the Residues Laboratory, Veterinary Science Division, Stormont, **Belfast, Northern Ireland, UK**. In this training fellowship, I got used to HPLC, electrophoresis and ELISA techniques in detecting veterinary drug residues in food of animal origin. January - April 2000.

### (5) Awards

1. The German Academic Exchange Service (DAAD) (2004). Scientific research Fellowship.
2. International Atomic Energy Agency (IAEA) Scientific fellowship (2000)

### (6) Professional Experience and Significant Achievements (in descending chronological order)

1. Assistant Professor at the Department of Environmental Health Sciences, College of Health Sciences, University of Sharjah, **Sharjah, United Arab Emirates**, responsible for teaching the courses of; Environmental Toxicology, Risk and Environmental Impact Assessment, Food safety, Environmental Microbiology, Environmental Pollution and Pesticides and Vector Control, from August 2013 -now.

2. Head of the Department of Food Hygiene and Safety, Faculty of Public and Environmental Health, University of Khartoum, *Sudan*, April 2007 –August 2013.
3. Assistant Professor at the Department of Food Hygiene and Safety, Faculty of Public and Environmental Health, University of Khartoum, *Sudan*. Responsible for teaching food toxicology and food safety courses ( theory and practice) for fourth and fifth year students, microbiology courses (theory and practice) for the second year students and supervision of under graduate and postgraduate research projects in the fields of food safety, nutrition and food microbiology since 2005 and until August 2013.
4. Lecturer at the Department of Food Hygiene and Safety, Faculty of Public and Environmental Health, University of Khartoum, Sudan, responsible for teaching food hygiene and safety courses (theory and practice) for fourth and fifth year students and supervising final year graduation research projects at the Department. May 2001 to September 2005.
5. Teaching assistant at the Department of Food Hygiene and Safety, Faculty of Public and Environmental Health, University of Khartoum, Sudan, responsible for teaching microbiology, food microbiology, food chemistry and food safety practical sessions for second, third and fourth year's student. April 1996 to May 2001.
6. Teaching food science courses related to nutrition, quality, composition and safety for Master degree students at University of Khartoum October 2005 August 2013.
7. Teaching food safety courses (theory and practice) for Master degree-qualifying year students at the Department of Food Hygiene and Safety, Faculty of Public and Environmental Health, University of Khartoum May 2003- August 2013.

**(6) Other Provisional Experience** (in descending chronological order)

1. Food safety consultant and trainer National Ministry of Health Sudan since 2005 and until now, as well as contributing in designing, implementing, monitoring and evaluation activities carried by the Ministry of Health, *Sudan* in food safety issues ( October 2005 –August 2013).
2. Part-time lecturer of environmental microbiology and environmental chemistry for Master degree students at Alzaiem Alazhari University, *Sudan*, February 2006 – August 2013
3. Part-time lecturer of environmental chemistry and microbiology course in Cleaner –production master programme of Sudan Academy of Science and Technology from 2007- to 2012.
4. External examiner of food safety and food hygiene at several Sudanese universities including faculties of medicine and health sciences; Al-Imam Al-Mahdi University, Faculty of Medicine, Shendi University and Faculty of Medicine and Health Sciences at Kordofan University October 2005 till now.
5. Collaborating Lecturer and trainer of food safety at Federal Ministry of Health, *Sudan*; training Public health officers and environmental health officers in Food Safety, food inspection and related sciences April 2000 - August 2013.
6. HACCP application trainer of master degree students in field visits. Conducted HACCP practical training at Khazan Meat Factory, Sharjah UAE; Lacnor Juice Company (Sharjah City) UAE, Dubai International Convention and Exhibition Centre hotel restaurant, *Dubai, UAE* February 2011.
7. DAL Dairy Industry Co. *Sudan*, milk hygiene at farm trainer 2010.
8. Part-time teaching assistant at Faculty of Medicine, University of Bahr Algazal and School of Hygiene, Upper Nile University, *Sudan*, January 1996 to January 2001.
9. Trainer of HACCP application to Master degree students at the Department of Food Hygiene and Safety, University of Khartoum. Theory and Practice 2002- August 2013

**(7) Professional Development** (in descending chronological order):

1. “T & L Workshop: Assessment and Feedback” training workshop organized by the Institute of leadership in Higher Education, 24<sup>th</sup> of April 2018, **University of Sharjah, UAE**
2. “T&L Workshop: Integrating research in undergraduate courses” training workshop organized by the Institute of leadership in Higher Education, 23<sup>rd</sup> of April 2018, **University of Sharjah, UAE**

3. "T&L Workshop: Active Learning" training workshop organized by the Institute of leadership in Higher Education, 22<sup>nd</sup> of April 2018, **University of Sharjah, UAE**.
4. "Strategic Planning and Leadership in Higher Education": training workshop organized by the Institute of leadership in Higher Education, 20-22<sup>nd</sup> February 2018, **University of Sharjah, UAE**.
5. "Research-Based Course Design-Putting it all Together": training workshop organized by the Institute of leadership in Higher Education, 18<sup>th</sup> of January 2018, **University of Sharjah, UAE**.
6. "Designing a Course-Based Assessment Approaches": training workshop organized by the Institute of leadership in Higher Education, 16<sup>th</sup> of January 2018, **University of Sharjah, UAE**.
7. 'Class Time Reconsidered: Active learning in the University Classroom' training workshop organized by the Institute of leadership in Higher Education, 30<sup>th</sup> of April 2017, **University of Sharjah, UAE**.
8. 'Developing a Course Assessment Plan' training workshop organized by the Institute of leadership in Higher Education, 31<sup>st</sup> of January 2017, **University of Sharjah, UAE**.
9. 'University Regulations for Faculty Promotion' training program, 11<sup>th</sup> of April 2016 Centre of Continuing Education and P.D, **University of Sharjah, UAE**.
10. 'Teaching in the New Era' training workshop organized by the Institute of leadership in Higher Education 9<sup>th</sup>-11<sup>th</sup> of November 2015, **University of Sharjah, UAE**.
11. University by-laws and regulations for faculty members training program, 15-17<sup>th</sup> of June 2015 Centre of Continuing Education and P.D , **University of Sharjah, UAE**.
12. Research Ethics Faculty Development Workshop, 9<sup>th</sup> of February 2015, College of Medicine, **University of Sharjah, UAE**.
13. Communication and Relationships workshop 28<sup>th</sup> May 2014 organized by the Faculty Development Committee, 2 Alrazi Hall –College of Health Sciences. **University of Sharjah, UAE**
14. Childhood stress in healthcare Institutions, an educational activity 6<sup>th</sup> February 2014, Department of Nursing **University of Sharjah, UAE**
15. 'Assessment Item Writing workshop' 11<sup>th</sup> to 12<sup>th</sup> January 2014 , organized by University of Sharjah in collaboration with 'Ideal Consortium for Shared Medical Student Assessment Banks' **University of Sharjah, UAE**
16. Taskstream Implementation workshop 26<sup>th</sup> of December 2013 organized by university of Sharjah Directorate of Quality Assurance , Institutional Effectiveness and Accreditation on at College of Health Sciences computer lab, room 156 M23 building. **University of Sharjah, UAE**
17. Advising - A Continuous Quality Initiative For CHS Faculty , 4<sup>th</sup> Advising Workshop 10<sup>th</sup> of September 2013, conducted by College of Health Sciences - Students' Advising and Academic Affairs Committee on Tuesday, **University of Sharjah, UAE**
18. It Orientation day, Organized by the Academic Computing Service Section –It centre, fall 2013—2014.
19. Food, Feed and Water Risk Assessment, Monitoring and Surveillance training course, 22-25 November 2010. **Khartoum, Sudan.**
20. Academic Performance Evaluation , course at the Centre for Educational Development of Health Professions of the University of Khartoum in collaboration with Sudanese Ministry of Higher Education and Scientific Research Evaluation and Accreditation Corporation (EVAC), November 2008. **Khartoum, Sudan**
21. Molecular Biology Course, National Health Laboratory, Sudanese Ministry of Health , (Theory and practical of molecular biology and PCR), March - May 2003 **Khartoum, Sudan.**
22. Scientific Research Methodology Course, Federal Ministry of Health and Faculty of Public and Environmental Health, , July 2000. **University of Khartoum, Sudan**
23. Communications, Media and Education training course, National AIDS Control Programme of the Federal Ministry of Health. February 1998. **Khartoum Sudan**

24. Educational Preparedness course, Centre of Staff Member Skills Development, February-March 1997. University of Khartoum, *Sudan*.
25. Practical and theoretical Immunization training course, Immunization programme, Federal Ministry of Health, August 1994. *Sudan*

### **(8) Funded Research Projects**

1. 2016 Food Safety-Risk Assessment Skills of Public and Private Food safety Controllers, a collaborative research project 15010506009-P, Funded by University of Sharjah (60000 AED).
2. 2014 Research project titled: Bacterial Load on Surfaces of shared and publicly-Used Equipment at the University of Sharjah Medical campus, A seed research project funded by University of Sharjah (22000 AED)
3. 2011 *Listeria monocytogenes* in milk production chains in Khartoum State. Funded by Sudanese Ministry of Higher Education, (~20000 USD).
4. 2008 Effects of food preservation by cooling on *Bacillus cereus* and *Clostridium perfringens* and the subsequent effects on food microbiological safety tests confidence. Funded by Sudanese Ministry of Higher Education. (~13500 USD)
5. 2005-2007 Two seed research projects in the field of food safety. Funded by University of Khartoum (~ 5000 USD)

### **(9) Main Courses Taught**

#### **(a) University of Sharjah**

- HSC 506362 Food Safety and Quality (spring Semesters 2013- till now).
- HSC 506262 Environmental Microbiology (Spring Semesters from 2013 until now).
- HSC 506455 Environmental Toxicology (fall Semesters from 2013 until now).
- HSC 506454 Risk & Environmental Impact Assessment (Fall Semesters from 2013 until now).
- HSC 506353 Environmental Pollution & Pesticides (fall Semesters from 2013 until now).
- HSC 506460 Field Training (fall Semester and spring semesters from 2013 until now).
- HSC 506461 Graduation Project (fall and spring Semesters from 2013 until now).
- 1204 323 Dairy Sanitation Community College (fall semester 2014-2015)

#### **(b) University of Khartoum**

- From April 1996 to May 2000: taught the practical sessions of several courses including microbiology and food safety.
- 2000-2013: Taught theory and practice of food hygiene and safety, and toxicology for undergraduate students.
- 2006-2013: Taught several food safety and environmental microbiology courses for postgraduate students.

#### **(c) Other Academic and Training Experiences**

Food safety consultant and trainer National Ministry of Health Sudan since 2005 and until now, as well as contributing in designing, implementing, monitoring and evaluation activities carried by the Ministry of Health, Sudan in food safety issues ( October 2005 –August 2013).

Trainer at several environmental health inspection courses organized by Directorate of Human Resources, Government of Sharjah. October to December 2017.

Part-time lecturer of environmental microbiology and environmental chemistry for Master degree students at Alzaiem Alzaeem Alazhari University, Sudan, February 2006 – August 2013

Part-time lecturer of environmental chemistry and microbiology course in Cleaner –production master programme of Sudan Academy of Science and Technology from 2007- to 2012.

External examiner of food safety and food hygiene at several Sudanese universities including faculties of medicine and health sciences; Al-Imam Al-Mahdi University, Faculty of Medicine, Shendi University and Faculty of Medicine and Health Sciences at Kordofan University October 2005 till now.

Collaborating Lecturer and trainer of food safety at Federal Ministry of Health, Sudan; training Public health officers and environmental health officers in Food Safety, food inspection and related sciences April 2000 -August 2013.

## **(10) Recent Publications:**

### ***Refereed Journal Articles***

1. Adam, A. H. B., **Mustafa, N. E. M.**, & Rietjens, I. M. (2017). Nitrite in processed meat products in Khartoum, Sudan and dietary intake. *Food Additives & Contaminants: Part B*, 10(2), 79-84.
2. Warsama, L. M., **Mustafa, N. E. M.**, & El Zubeir, I. E. M. (2017). Physicochemical Properties and Microbial Load of Cow Milk Collected from Milk Supply Chain during Winter and Summer in Khartoum State, Sudan. *Journal of Veterinary Medicine and Animal Production*, 8(1),41-52.

Scanning and transmission electron microscopy investigation of heat induced morphological changes in spores of *Bacillus* species isolated from food. Abstract submitted to International Conference on Environmental, Industrial and Applied Microbiology Badajoz (Spain) Code: 568 <http://www.formatex.org/biomicroworld2005/acceptedabstracts.php>

**(11)Patents:**

**(a)Inventions:**

**Mustafa, N.E. M.** , Suzan, M. A. Mohammed, Faisal, S. , Elhag, L. , Elzubeir, I. M. E. and Galib, L. M. W.(2014). Sudanese patent No. 3697/2014, D-SAFT1 raw milk antibiotic residues rapid test, 25 Aug 2014.

**(b) Nucleotide sequences submissions** (Published in GenBank: <http://www.ncbi.nlm.nih.gov>):

**Mustafa,N.E.M.** and D. Harmsen (2008). *Lysinibacillus fusiformis* strain MK34 16S ribosomal RNA gene, partial sequence. A GenBank Direct Submission. Accession FJ404788. Version: FJ404788.1 GI: 212283814.

**Mustafa,N.E.M.** and D. Harmsen (2008). *Bacillus cereus* strain CH52 16S ribosomal RNA gene, partial sequence.. A GenBank Direct Submission. Accession: FJ404787. Version: FJ404787.1 GI: 212283813.

**Mustafa,N.E.M.** and D. Harmsen (2008). *Bacillus mojavensis* strain MK32 16S ribosomal RNA gene, partial sequence. A GenBank Direct Submission. Accession: FJ404786 Version: FJ404786.1 GI: 212283812

**Mustafa,N.E.M.** and D. Harmsen (2008). *Bacillus cereus* strain MK52 16S ribosomal RNA gene, partial sequence. A GenBank Direct Submission. Accession: FJ404785. Version: FJ404785.1 GI: 212283811.

**Mustafa,N.E.M.** and D. Harmsen (2008). *Bacillus cereus* strain MK131 16S ribosomal RNA gene, partial sequence. A GenBank Direct Submission. Accession: FJ404784 Version: FJ404784.1 GI: 212283810.

**Mustafa,N.E.M.** and D. Harmsen (2008). *Bacillus cereus* strain Mk81 16S ribosomal RNA gene, partial sequence. A GenBank Direct Submission. Accession: FJ210815. Version: FJ210815.1 GI: 209974074.

**Theses**

Mustafa, N. E. M. (2005). Isolation of *Bacillus* and *Clostridial* Species from Food of Animal Origin with Special Reference to their Spores Resistance and Injury by Heat Ph. D thesis University of Khartoum.

Mustafa, N. E. M. (1999). Monitoring antibiotic residues in Beef and Mutton in Khartoum State. Master degree thesis University of Khartoum

### **(12) Professional Memberships:**

1. Member of International Association for Food Protection (IAFP), USA.
2. Contributing Member of the American Society of Microbiology (ASM), USA.
3. Graduate member of the Chartered Institute of Environmental Health (GradCIEH) , membership number: 209660, UK.
4. Member of the Institute of Food Safety, Integrity & Protection (TiFSiP), UK.
5. Full Ordinary Member of the Society for Applied Microbiology (SFAM).

### **(13) Conferences and Codex Meetings participations**

- 11<sup>th</sup> Dubai International Food Safety conference, 2016, *Dubai, UAE.*
- 10<sup>th</sup> Dubai International Food Safety conference, 2015, *Dubai, UAE.*
- 9<sup>th</sup> Dubai International Food Safety conference 2014, *Dubai, UAE.*
- International Research Conference on Science, Health and Medicine (IRCSHM), October 2014. *Dubai, UAE.*
- 5<sup>th</sup> Health and Environment Conference in the Middle East, Dubai 3<sup>rd</sup>-5<sup>th</sup> March 2014. *Dubai, UAE.*
- 7<sup>th</sup> Session of Joint FAO/WHO Food Standards Programme Codex Committee on Contaminants in Foods, 7– 12 April 2013 *Moscow, the Russian Federation.*
- 6<sup>th</sup> Session of Joint FAO/WHO Food Standards Programme Codex Committee on Contaminants in Foods, 26 – 30 March 2012 *Maastricht, The Netherlands*
- 5<sup>th</sup> Session of Joint FAO/WHO Food Standards Programme Codex Committee on Contaminants in Foods, 21 – 25 March 2011 *The Hague, Netherlands*
- 7<sup>th</sup> Dubai International Food Safety conference 2012, *Dubai, UAE.*
- 6<sup>th</sup> Dubai International Food Safety conference 2011, *Dubai, UAE.*
- 1<sup>st</sup> Training Conference of food, water and feed Risk assessment, 22-25 November 2011 *Khartoum, Sudan.*
- 2<sup>nd</sup> international Conference on Applied Biotechnology (ICAB -2010) Khartoum October 25 -27 2010 *Khartoum, Sudan*
- 4<sup>th</sup> Session of Joint FAO/WHO Food Standards Programme Codex Committee on Contaminants in Foods, 26 – 30 April 2010 *Izmir, Turkey.*
- 1<sup>st</sup> International Food Safety Conference, 16-22 March 2010. *Khartoum, Sudan*

### **(14) University and Community Services** (in descending chronological order):

- Represented University of Sharjah in UAE Ministry of Climate Change and Environment workshop titled (One world- one health) that targeted enhancing collaboration between medical , veterinary , agricultural and environmental sectors to improve preventive measures and notification of health problems in UAE , Dubai 20<sup>th</sup> of December 2016.
- Represented University of Sharjah in UAE Ministry of Climate Change and Environment workshop concerned with establishing the national framework for biosafety, Dubai 21<sup>st</sup> of March 2016.
- Taught food safety courses for Ajman Municipal and Planning Directorate in the technical diploma organized by the Centre of Continuing Education and P.D, University of Sharjah 13 December 2014 to 21 February 2015
- Served member in the organizing committee of the 3<sup>rd</sup> Emirates –German Congress In medicine 1<sup>st</sup> to 3<sup>rd</sup> February 2015, medical and health sciences Campus, University of Sharjah, UAE.
- Organized on behalf of the College of health sciences university of Sharjah and in collaboration with the Supreme Council for Family Affairs the activity of (Smoking and its effects of kidneys) 17 December 2014
- Participated in the Bright Start Conference, organized by the University of Sharjah and the health and promotion Department and excellence in paediatrics Institute 7-8 December 2014.
- Participated in the World Diabetes day organized By Ministry of health , Sharjah Medical district on the 6<sup>th</sup> of November 2014
- Worked as member of the media committee, which is responsible for media preparation for the Conference of Food & Medicine in light of Recent Developments, held at University of Sharjah 16 to 17<sup>th</sup> April 2014.
- Integrated Health Awareness Campaign in collaboration with UoS student deanship-women section: the activity include diagnostic services (blood pressure and blood sugar measurements , bone density scanning) nutritional advising and providing printed materials and verbal advising 2014

- The medical campus UAE National Day celebration activities which include College of Health sciences health awareness booths (environmental health, medical diagnostic , nursing and nutrition activities)2014
- Integrated Health Awareness Campaign in collaboration with UoS student deanship-men section. The activity include diagnostic services (blood pressure and blood sugar measurements , bone density scanning)nutritional advising for daily live and sport activities and providing printed materials and verbal advising in the above activity in addition to physiotherapy advising for sport activities 30th October 2013
- Worked and working in the following College of Health science's committees: timetable and Examination Committee (member), Accreditation and Curriculum committee (member), Public Relation and Marketing (chair) and several other committees 2013-2017.
- Supervised the students activities at the College of Health Sciences 2013-2017
- Prepared and presented a weekly radio broadcast episodes called *Shatac* (Your Health) at Khartoum FM Radio (89) every Friday evening from April 2009 to July 2010.
- Worked in a voluntary preventive health mission organized by University of Khartoum targeted women and children at the Sudanese civil war affected town of Malakal, Upper Nile State June 1993.

#### (15)Postgraduate Researchers Supervision Activities

1. Azhari Dafallah Alkhidir, Ph. D. Research project titled: **Exploration of Cold Shock proteins and Acid soluble proteins in *Bacillus sphaericus* and *Bacillus fusiformis* and *Bacillus fusiformis*-like isolate.** Co-supervisor, University of Khartoum.
2. Rania Mohammed Osamn Hamid (2013) Ph. D. Research project titled: **Antimutagens in Sudanese food of Plant origins.** Co-supervisor, University of Khartoum.
3. ElGazafey Basheer Haj Ahmed Mohamed Elamin (2013). **Development of Rapid Identification Scheme for *Enterobacteriaceae* in Food.** Co-supervisor, Ph. D. Research project: University of Khartoum.
4. Shafia Ahmed Eltayeb (2013). **Effect of Some Sanitizers on the Survival of Food-borne Bacteria on Common Food Preparation Surfaces.** M.Sc. thesis, University of Khartoum
5. Aziza Hussein Bakheit Adam (2012). **Risk Assessment of Sodium Nitrite in Processed Meat in Khartoum Locality.** M.Sc. thesis, University of Khartoum
6. Ayman Youssif Mohammad Ali (2012). **Exploring Possibilities of Application of Hazard Analysis Critical Control Points System on Beef processing Factories in Khartoum State.** Co-supervisor, University of Khartoum.
7. Muhanad Mahmoud Abdalla Elhag (2012). *Listeria monocytogenes* Incidence and Diversity in Raw Milk at Khartoum State. M.Sc. thesis, University of Khartoum. As a Co-Supervisor
8. Ahlam Abdalhy Ageeb Mohammed (2011). **Food Safety Aspects of Feeding Units at Refugee Camps in Kassala State.** M.Sc. thesis, University of Khartoum.
9. Elkhatim Ibraheem (2011). **Effectiveness of Sun Light on *E. coli* Viable Count in Drinking Water.** M.Sc. thesis, Sudan Academy of Sciences.
10. Nahid Hussein Kaloul Hussein. ***Bacillus species* in spices sold in Khartoum State with Reference to *Bacillus cereus* Group (2010).** M.Sc. thesis, University of Khartoum.
11. Afrah kamal Abd Elazim Yassin. ***Bacillus cereus* Growth Patterns in Refrigerated Foods** (2010).M.Sc. thesis, University of Khartoum.
