Dr. Mohamed Elhoseny is an Associate Professor at the College of Computing and Informatics, University of Sharjah, UAE. Dr. Elhoseny is an ACM Distinguished Speakerand IEEE Senior Member. Collectively, Dr. Elhoseny authored/co-authored over 165 published articles in prestigious journals, book chapters, and conference papers. Besides, Dr. Elhoseny authored/edited 21 international books published by recognized publishers such as Springer and Elsevier. His research interests include Smart Cities, Network Security, Artificial Intelligence, Internet of Things, and Intelligent Systems. Dr. Elhoseny is the founder and the Editor-in-Chief of IJSSTA journal published by IGI Global. Also, he is an Associate Editor at several Q1 journals such as IEEE Access, Scientific Reports, IEEE Future Directions, Remote Sensing, International Journal of E-services and Mobile Applications, and Human-centric Computing and Information Sciences. Moreover, he served as the co- chair, the publication chair, the program chair, and a track chair for several international conferences published by recognized publishers such as IEEE and Springer. Dr. Elhoseny is the Editor-in-Chief of the Studies in Distributed Intelligence Springer Book Series, the Editor-in-Chief of The Sensors Communication for Urban Intelligence CRC Press-Taylor& Francis Book Series, and the Editor-in- Chief of The Distributed Sensing and Intelligent Systems CRC Press-Taylor& Francis Book Series. He was granted several awards by diverse funding bodies such as the Egypt State Encouragement Award in 2018, the Young Researcher Award in Artificial Intelligence from the Federation of Arab Scientific Research Councils in 2019, Obada International Prize for young, distinguished scientists 2020, Mansoura University Young Researcher Award 2019, the SRGE best young researcher award in 2017, and the best Ph.D. thesis in Mansoura University in 2015. Dr. Elhoseny has 14 years of teaching experience and supervised two PhD students, two master students and six graduation projects. Besides, he is a TPC Member or Reviewer in 100+ International Conferences and Workshops. Furthermore, he has been reviewing papers for 100+ International Journals including IEEE Communications Magazine, IEEE Transactions on Intelligent Transportation Systems, IEEE Internet of Things, Future Generation Computer Systems, IEEE Communication Letters, Elsevier Computer Communications, Computer Networks, and Sustainable Cities and Society

Academic Qualifications

	Inistitution	Year
Ph.D. in Computers and Information Sciences	Mansoura University (Egypt) in a Scientific Channel with University of North Texas (U.S.A.)	2015
M.Sc in Computers and Information Sciences	Mansoura University (Egypt)	2010
B.Sc. in Computers and Information Sciences	Mansoura University (Egypt)	2006 (Ranked #1)

Academic Experience

		From	To
Associate Professor	College of Computing and Informatics, University of Sharjah, UAE	1/2022	present
Associate Professor	College of Computer Information Technology, American University in the Emirates, Dubai, UAE	1/2021	12/2021
Manager	Research Support Department, American University in the Emirates, Dubai, UAE	2/2021	Present
Assistant Professor	College of Computer Information Technology, American University in the Emirates, Dubai, UAE	8/2020	1/2021
Assistant Professor	Faculty of Computers and Information, Mansoura University, Egypt	02/2016	08/2020
Lecturer	Faculty of Computers and Information Mansoura University, Egypt	11/ 2010	01/2014
Researcher	Department of Computer Science and Engineering, University of North Texas, Denton, Texas, U.S.A	03/2016	08/2020
Ph.D. Researcher	Department of Computer Science and Engineering, University of North Texas, Denton, Texas, U.S.A	01/2014	01/2016
Instructor of Information Technology	Certified Instructor of the Supreme Council of Egyptian Universities.	11/ 2011	Present
Teaching Assistant	Faculty of Computers and Information, Mansoura University, Egypt	01/ 2007	10/ 2010

Awards & Honors

1. High Cited Researcher – Clarivate **2021**
2. One of the 1000 top world scientists in Computer Science (**2020**) - Guide2research indexing system (Ranked #6 in the UAE)
3. World ranking of top 2% scientists" in the area of “information and communication technology" according to the survey given by Stanford University (**2020**)
4. Dr. Mohamed Rabei Naser for Scientific Research- Artificial Intelligence (Delta University- Egypt) (**2020**).
5. Prof. Tarek Kamel prize for Innovation in Communication and Information Technology (Ministry of Higher Education- Egypt) (**2020**).

6. Dr. Rabei Naser Award for Scientific Research in the field of Artificial Intelligence and Digital Transformation (Delta University for Science and Technology - Egypt) (**2020**)
7. Obada International Prize for Young Distinguished Scientists (**2020**).
8. Young Researcher Award in Artificial Intelligence from the Federation of Arab Scientific Research Councils (**2019**).
9. Egypt State Encouragement Award (**2018**).
10. Mansoura University Encouragement Award (**2019**).
11. Mansoura University Award for the Highest Citation (**2019**).
12. ACM Distinguished Speaker (2019-present).
13. The membership of The Egyptian Young Academy of Science (EYAS) (**2019**).
14. Publons Peer Review award - (Ranked # 3 - top reviewers in Computer Science) (**2018**).
15. SRGE- the best researcher award (**2017**).
16. Publons Peer Review award - (One of the top 10% of peer reviewers in Computer Science) (**2017**)
17. The best doctoral thesis award for Ph.D. entitled “Secure Routing in Wireless Sensor Network”, Mansoura University (**2016**)
18. Scientific Research Award – Mansoura University (**2015**)
19. Scientific Research Award – Mansoura University (**2016**)
20. The National Egyptian Mission 2014 for two years to complete the degree of Ph.D. at the University of North Texas, USA (**2014**)
21. Certified Instructor of the Supreme Council of Egyptian Universities, Egyptian Ministry of Higher Education (**2011**)
22. The Ideal Student Award- Mansoura University (**2006**)
23. The Ideal Student Award- the Faculty of Computers and Information (**2005**, **2006**)

International Journal Editorial Services

Current Editorial Activities

1. **The Editor-in-Chief,** International Journal of Smart Sensor Technologies and Applications, IGI Global, USA
2. **The Editor-in-Chief,** Springer Book Series "Studies in Distributed Intelligence"
3. **The Editor-in-Chief,** CRC Press – Taylor&Francis Book Series "Sensors Communication for Urban Intelligence"
4. **The Editor-in-Chief,** CRC Press – Taylor&Francis Book Series "Distributed Sensing and Intelligent Systems"
5. **Associate Editor,** IEEE Journal of Biomedical and Health Informatics, IEEE (Impact Factor = 5.217)
6. **Associate Editor,** Scientific Reports, Nature (Impact Factor = 4.2)
7. **Associate Editor,** International Journal of Web and Grid Services, Inderscience (Impact Factor = 2.75)
8. **Associate Editor,** IEEE Access Journal, IEEE (Impact Factor = 4.09)
9. **Associate Editor,** Human-centric Computing and Information Sciences (HCIS), IEEE (Impact Factor = 3.7)
10. **Editorial Board Member,** IEEE Future Directions Newsletter
11. **Associate Editor,** Remote Sensing, MDPI (Impact Factor = 4.5)
12. **Associate Editor,** International Journal of E-services and Mobile Applications (IJESMA), IGI Global
13. **Associate Editor,** Scientific African, Elsevier
14. **Associate Editor,** Recent Patents on Computer Science, Bentham Science
15. **Associate Editor,** International Journal of Smart Vehicles and Smart Transportation (IJSVST), IGI Global

16. **Associate Editor,** International Journal of Software Science and Computational Intelligence (IJSSCI), IGI Global
17. **Associate Editor,** International Journal of Cloud Applications and Computing (IJCAC), IGI Global
18. **Review Board Member,** Applied Intelligence, Springer (Impact Factor 1.9)
19. **Associate Editor**, Journal of Sensor and Actuator Networks, MDPI (Scopus Indexed)
20. **Managing Editor,** Mansoura journal for computer and information sciences, Mansoura University
21. **The Editor-in-Chief,** Frontiers of Supercomputing
22. **Editorial Board Member,** International Journal of Forensic Software Engineering, **Inderscience**
23. **Editorial Board Member,** International Journal of Service Science, Management, Engineering, and Technology (IJSSMET), IGI-Global

Previous Editorial Activities (Selected examples)

1. **Editorial Board Member,** International Journal of Hybrid Intelligence, **Inderscience** (2017 to 2019)
2. **Lead Guest Editor,** Special issue on "Cognitive big data analytics for business intelligence applications: Towards performance improvement", International Journal of Information Management, 2019, **Elsevier**
3. **Lead Guest Editor,** Special Issue on "Machine Learning Applications for Self-Organized Wireless Sensor Networks", Neural Computing and Applications, 2018, **Springer**
4. **Guest Editor,** Special Issue on "Advances in Social Internet of Things", Internet of Things Journal, 2020**, Elsevier**
5. **Guest Editor,** Special Issue on "Advanced parallel and distributed computing for big urban data", The Journal of Supercomputing, 2020, **Springer**
6. **Guest Editor,** Special Issue on "Medical Information Hiding for Reliable Health Data Management", IEEE Consumer Electronics Magazine, 2018, **IEEE**
7. **Lead Guest Editor,** Special Issue on " Expert Systems: Applications of Business Intelligence in Big Data Environments", Sustainability, MDPI
8. **Lead Guest Editor,** Special Collection on "Machine Learning Applications for Self-Organized Wireless Sensor Networks", International Journal of Distributed Sensor Networks, 2018, **SAGE**
9. **Guest Editor,** Special Issue on "Research on Efficient Data Forwarding in Vehicular Networks", Mobile Information Systems, 2019, **Hindawi**
10. **Lead Guest Editor**, Special Issue "Advances in Sensor Networks for Smart Cities", Journal of Sensor and Actuator Networks, 2020, **MDPI**
11. **Lead Guest Editor,** Special Issue on "Intelligent Techniques for Ad-hoc and Wireless Sensor Networks", Int. J. of Hybrid Intelligence, **2019**, Inderscience
12. **Guest Editor,** Special Issue on "Multimedia Information Security Solutions on Social Networks", Int. J. of Information and Computer Security, 2019, **Inderscience**
13. **Guest Editor,** Special Issue "Remote sensing for Intelligent Transportation Systems", Remote Sensing, 2019**, MDPI**

Professional Memberships

1. Member of the Egyptian Young Academy of Science (EYAS)
2. COPE (the U.K.-based international Committee on Publication Ethics)
3. Scientific Research Group in Egypt (SRGE)
4. IEEE Internet Technology Policy (ITP) Community
5. IEEE Vehicular Technology Society
6. IEEE Big Data Community
7. IEEE Internet of Things Community
8. IEEE Smart Cities Community

9. IEEE Software Defined Networks Community
10. ACM (Applied Computing Machinery)
11. International Computer Science and Engineering Society (ICSES)
12. IEEE IES Technical Committee on Industrial Informatics
13. IEEE Information Theory Society
14. IEEE Sensors Council
15. IIEEE Biometrics Council

International Conferences & Workshops Chairing Services

1. **The Organizing Chair,** the 2nd International Conference on Distributed Sensing and Intelligent Systems, (ICDSIS2021), Springer, Hefei, Anhui, China, June 18-20, 2021**,** https://www.dsisconf.net/home
2. **The General Co-Chair,** The First International Conference on Artificial Intelligence and Smart Applications (AISA'21), July 08-10, 2021, Oujda, **Morroco, https://cored.ma/AISA21/#committees**
3. **The General Chair,** The International Conference on New Technologies, Innovation and Information Systems (CINTISI'20), October 01-03, 2020, Saidia/Oujda, **Morroco,** https://cintisi20.sciencesconf.org/resource/page/id/1
4. **The General Chair,** the 1st International Conference on Distributed Sensing and Intelligent Systems, (ICDSIS2020), Springer, 01-03 February 2020, Agadir, **Morroco,** http://www.dsis-conf.net
5. **Organizing Chair,** the 4th IEEE International Conference on Computing, Communication and Security (ICCCS-2019) 10-12 October 2019, Rome, **Italy,** http://www.icccs-conf.in/index.html
6. **Track Chair,** the 6th IEEE International Conference on Cloud and Big Data Computing (CBDCom 2020), 22-26 June 2020, Calgary**, Canada,** http://cyber-science.org/2019/cbdcom/
7. **Program Committee Chair**, The 2nd International Conference on Urban Intelligence and Applications 2020, May 28-31, 2020, Taiyuan, **China**, http://covis.cse.unt.edu/ICUIA20/index.html
8. **OTAI 2020 Session Chair**, the 12 the Asian Conference on Intelligent Information and Database Systems (ACIIDS 2020) Phuket, Thailand, March 23-26, 2020, http://www.aciids.pwr.edu.pl/
9. **Conference Chair,** The 2nd International Conference of Computer Science and Renewable Energies "ICCSRE'2019", July 22-24, 2019, Agadir, Morroco **https://iccsre2019.akrit.org/**
10. **Co-Convener**, International Conference on Smart Sustainable Intelligent Computing and Applications Feb 4 - Feb 6, 2020, Delhi, India, **https://www.icitetm.com/**
11. **Special Issue Chair**, The International Conference on Urban Intelligence and Applications, 10-12 May 2019, China **http://covis.cse.unt.edu/ICUIA19/index.html**
12. **A Program chair,** The 4th International Conference on Advanced Machine Learning Technologies and Applications **(AMLTA2019),** 28-30 March 2019 Cairo, **Egypt, http://egyptscience.net/AMLTA19**
13. **Publicity Committee Member**, 2020 International Conference on Computer Science, Engineering and Applications (ICCSEA 2020) GIET University, Gunupur, India, March 13 - 14, 2020 **http://iccsea2020.in/index.html**
14. **Conference chair,** The 1st International Conference of Computer Science and Renewable Energies **"ICCSRE'2018",** 22-24 November 2018,
15. Ouarzazate, **Morocco, https://iccsre.sciencesconf.org/**

16. **Conference chair- Middle East Section,** the 5th International Conference on Communication, Management and Information Technology (ICCMIT'19), 26-28 March 2019, Vienna , Austria, www.iccmitconference.net
17. Technical Committee member, 2019 International Conference on Frontiers of Artificial Intelligence and Machine Learning(FAIML 2019), Rome, Italy on July 26-28, 2019 **http://www.faiml.org/committee.html**
18. **Organizing Chair,** the 3th IEEE International Conference on Computing, Communication and Security (ICCCS-2018) 25-27 October 2018, Kathmandu, **Nepal**, http://www.icccs-conf.in/index.html
19. **Organizing Committee member**, 1st International Conference on Computers and Information Technology (ICCIT-2019), 8 - 10 February 2019 Cairo, **Egypt**,**http://nspconfs.com/iccit2019/Default.aspx#**
20. **Conference Chair**, International Conference of Computer Science and Renewable Energies, 22-24 Nov 2018 Ouarzazate, Morocco (https://iccsre.sciencesconf.org/)
21. **Publicity Chair,** International Conference on Innovative Computing and Communication (ICICC-2019), ORGANISED BY : TECHNICAL UNIVERSITY OF OSTRAVA 21-22nd MARCH,2019, India (http://icicc-conf.com/steeringcommittee)
22. **A Program Chair** the 4th International Conference on Advanced Intelligent Systems and Informatics (AISI2018) 01-03 September 2018, Cairo, Egypt, http://egyptscience.net/AISI2018/home.html
23. A **Publication Chair and a member of the steering and organizing committees** the Fourth IEEE INTERNATIONAL CONFERENCE ON BIG DATA COMPUTING SERVICE AND APPLICATIONS (IEEE BigDataService 2018), 26-29 March 2018, Bamberg, Germany, http://big-dataservice.net/
24. A **Publication Chair and a member of the steering and organizing committees** 12th IEEE International Symposium on System Oriented Service Engineering (SOSE| 2018) March 26 - 29, 2018. Bamberg, Germany, http://sose-conference.net/
25. A **Publicity Chair and a member of the steering and organizing committees** the 3rd International Conference on Advanced Machine Learning Technologies and Applications (AMLTA 2018), 22-24 February 2018, Cairo, Egypt, http://egyptscience.net/AMLTA18/committees.html
26. A **Chair,** 2nd International Workshop on Advances in Image Processing and Colorization (AIPC'18) Poznań, Poland, 9 - 12 September, https://www.fedcsis.org/2018/aipc
27. **A Track Chair and a member of the steering and organizing committees**., The 3nd International Conference on Advanced Intelligent Systems and Informatics (AISI2017), 9-11 September 2017, Cairo, Egypt, http://egyptscience.net/AISI2017/home.html
28. **Scientific Committee Member,** The 2nd International Conference on Cognitive Analytics Management 2018Digital Disruption for Innovative Shared Values, Nov 28- Dec 1, **Lebanon** **http://www.aub.edu.lb/osb/research/CAM2018/Pages/Committees-.aspx**
29. **Organizing Committee Member,** the 1st International Conference on Computer and Information Technology, 8-10 February 2019, Cairo, **Egypt,** **http://nspconfs.com/iccit2019/Default.aspx**

Community Services

1. Member of the Research Council at American University in the Emirates
2. The coordinator of MU/UNT (Mansoura University- University of North Texas) collaboration agreement (2019)
3. Member of Scientific Journals and Publications Committee, Mansoura University (2019)
4. Member of the Digital Transformation committee, Mansoura University (2019)
5. Graduation Projects' Coordinator, Department of Information Systems, Mansoura University (2019)
6. Member of the Jury in the 5th Egyptian Universities and Schools Conference, Scientific Activities (2016)

7. The Scientific Activities Coordinator, the 2nd Egyptian Universities Students Conference for Innovation and Research (2013)
8. The coordinator of the Department of Information Systems for Affairs of Quality Assurance, Faculty of Computers and Information, Mansoura University, Egypt (2008, 2009, 2010)
9. Board Member of the Assembly of inventions and innovations in Mansoura University (2010)
10. Member of the organizing committee, the Egyptian Universities Youth week (2005)
11. Member of the organizing committee, the First Arab Universities Youth week (2006)
12. Member of the Jury in the Egyptian Universities Youth Week "Scientific Activity" (2008)
13. The Secretary-General of the Students Union of Faculty of Computers and Information, Mansoura University, Egypt (2005)
14. The Deputy Secretary-General of the Students Union of Faculty of Computers and Information, Mansoura University, Egypt (2004)
15. The Secretary-General of the Cultural Activities Committee of the Mansoura University Students Union (2004)
16. The Secretary-General of the Cultural Activities Committee of the faculty of Computers and Information Students Union, Mansoura University (2003, 2004, 2005)

Teaching Experience

1.	Spring 2021	- Introduction to Computer System - Introduction to Cryptography - E-Business and E-Commerce
2.	Fall 2020	- Computer Threats and Risks (Students Evaluation 92%) - Network Essentials (Students Evaluation 100%) - Distributed Systems (Students Evaluation 96%) - E-Business and E-Commerce (Students Evaluation 95%)
3.	Spring 2020	- Introduction to Database Systems (Students Evaluation 97%) - Intelligent Systems (Students Evaluation 95%)
4.	Fall 2019	-Distributed Databases Systems
5.	Fall 2013	-Security in Computing
6.	Spring 2013	-Distributed Systems Principles and Paradigms -Introduction to Network Security
7.	Fall 2012	-Security in Computing -Fundamentals of Database Systems
8.	Spring 2012	- Decision Support Systems -Information Theory
9.	Fall 2011	- Human Computer Interaction -Security in Computing
10.	Spring 2011	- Web Development -Introduction to Network Security
11.	Fall 2010	-Mobile Computing -Fuzzy Logic
12.	Spring 2010	- Information Theory -Discrete Mathematics
13.	Fall 2009	- Systems Analysis & Design
14.	Spring 2009	- Introduction to Network Security

15.	Spring 2007	-Information Theory -Introduction to Information Systems
16.	Fall 2008	-Operational Research -Fundamentals of Database Systems
17.	Spring 2008	-

Graduate/Undergraduate Students Supervision

1. Graduate Students	**Degree**	**Student name**
1. Data management Schema in IoT Applications	PhD	Ahmed Elkhateb
2. Real-time archiving for resources in IoT Applications	PhD	Mina Yunan
3. Quantum machine learning techniques for medical data processing	Master	Zinab Abo hashima Saad
4. Adaptive Educational Systems Using Deep Learning	Master	Nouremin Lofty
5. Social Media Big Data Analysis for Business Intelligence	PhD	Abdulaziz Darwiesh

1. Undergraduate Students – Graduation Projects	**Count of Students**	**Year**
1. Intelligent Systems for Blood Donation management	5	2019
2. Intelligent Healthcare management System	10	2020
3. Quality Assurance Management System	10	2013
4. Smart System for patients' allocations in hospitals	12	2020
5. E-learning management system	8	2013
6. Cloud-based database storage and retrieval	12	2013
