PROJECT

Principal Investigator of a Seed Research Project: Seed Grant Research Project No. (2203060215) entitled: "Outer Space Sustainability: Burning Issue of Space Debris Ought to Develop Global Space Establishment" approved by the University Research Board (URB) of University of Sharjah.

ACADEMIC AWARDS

- Ph.D. Scholarship holder sponsored by China Scholarship Council CSC.
- University Merit Scholarship holder during M.Sc. (Hons.) Agricultural Extension
- Board Merit Scholarship holder during B.Sc. (Hons.) Agriculture Extension Education

COURSES TAUGHT

- Legal Environment of Business
- Aviation and Airspace: Risk, Liability, Insurance and Dispute Resolution
- International Space Law & Communications
- Comparative space law and Regulation

- Criminology and Penology
- Criminal Procedure Law
- Qanoon e Shahadat Ordinance.
- Constitutional law
- Comparative Procedure law (LLM)
- Space law and policy (LLM)
- Criminal law
- Environment protection law
- Control of Narcotics Substance Act
- Pakistan Penal Code
- Special and local laws
- Muslim Family Laws

SUPERVISION OF GRADUATE STUDENTS

- Six students as Supervisor and Five as Co-Supervisor MASL Program
- Developed Syllabus for Master Students International Air and Space law courses and accreditation as well.
- Developing a new program (BS in Air and Space law)
- Developed one course “Sustainability: Issues of Space Safety and Security” (for graduate Programme)

ADVANCED TEACHING METHODS

- Ability to promote excellent teaching standard, innovate and having capability to involve and inspire students from all levels. New methods are designed to improve the student’s involvement in the educational process.
- Used an advanced teaching methods like Brainstorming, Role-play, case study and used PPT, Videos of education, Interactive approach.
- Delivered lectures interactively and following approaches that ensure proper student engagement (using google Doc., Mentimeter, Kahoot and polleve)

IMPACT OF RESEARCH ON COMMUNITY

- Innovation in Space science and Technology has enhanced not only awareness about universe but also improvements in our daily life through overseeing environment Forecasting meteorological, NDM communication and satellite Navigation, that’s why it has great contribution in development of mankind in every sphere of life
- My research on space debris issue and the establishment of international Space regime is for the Sustainability of Outer Space and for the environment protection, Directly or indirectly every person in the world is getting benefit from such space technology will have great impact on the community
- In My research I proposed revamping of space law will definitely impact in future regarding space tourism, space weaponization and space commercialization

because world has changed, and law should be changes accordingly will have fruitful results in upcoming future.

EXPERIENCE IN SUPPORTING STUDENTS ACHIEVEMENT

- Encouraged the students in academic and sports competitions
- Supported and facilitated the students in event management
- Motivated the students in extracurricular activities
- Guided the students in research publication
- Guided in Thesis Writing to the students

DOCTORATE IN SPACE LAW FROM HIGH RANKED UNIVERSITY

- Earned doctorate in space law from BIT, school of law, 110th Asia Universities ranking 2020 and 384th ranked at world level according to QS world ranking.

EXPERIENCE IN NATIONAL ACADEMIC PROGRAM ACCREDITATION

- Worked on the preparation of documentation for the initiation of LLM for law college to the HEC accreditation

YEARS OF EXPERIENCE IN ACADEMIA

- Pre Ph.D. experience 7 years
- Post Ph.D. experience 2 year (continue)

MEMBERSHIP

- Member of International Astronaut Federation IAF
- Member of International Association of Prosecutors IAP
- Member of Enrolled as an Advocate on 15 April 2006.
- Enrolled as an advocate of High Court on 4th November 2008.
- Lifetime member of Islamabad District Bar.
- Lifetime member of High Court Multan.
- Member of Admission Committee in law college
- Member of Sports Committee of Law College

ACADEMIC SERVICE

- Committee Member - prepared the Renewal Accreditation Documents for program of Master of Air and Space Law at University of Sharjah
- Committee Member - prepared the Initial Accreditation Documents for program of Bachelor of Law in English at University of Sharjah
- Coordinator for the course of Legal Environment of Business (Fall-2021-2022), University of Sharjah
- Internship Coordinator, MASL Program, Spring Semester, 2022-2023, University of Sharjah, UAE
- Committee member, Graduate Studies Committee for the MASL Program, University of Sharjah

CONSULTING AND COMMUNITY SERVICES

- Provided Plentiful the legal guidance and facilities to the community over the past few years.

UNIVERSITY SERVICES

- I have been the active member of many committees of the law college in few disciplines which I have the honor to work with these committees.

RESEARCH INTEREST

- Aerospace Law
- Law and Technology
- Criminal law
- Law and policy
- Agriculture and Environmental Sustainability issues
