AED: 6,000/- (USD: 1,634)  
Resident Rate:  
AED: 3,675/- (USD: 1,000)

## Introduction

Minimally Invasive Surgery have become an integral part of operative management in virtually every realm of newborn and pediatric surgery in the last two decades. Although new Instruments and equipment's are promoting these achievements, there is still a long journey in training before Neonatal Endoscopic surgery become safe and widespread.

The UAE Pediatric Surgery Society, Gulf endoscopic pediatric surgery & urology group in collaboration with Clinical and surgical training center is dedicated to the advancement of training in Pediatric Minimal Invasive Surgery to ensure the safe performance of such operation.
