Are you ready to experience a one of a kind teaching looks! Are you looking forward to achieve greatness?

Blackboard ULTRA learn experience is by your hands.

|			
Clean, Modern Look	**Add Files Via Drag and Drop**	**Enable Conversations**	**Item View for the Gradebook**
The Ultra Course View is simpler to use and more intuitive. Tools are contextual to reduce clicks.	Quickly add files to your course by dragging them to the content panel of your course. You can drag one or multiple files, or even a folder.	students can discuss the content with you and their classmates. They can ask for help, share sources, or answer questions others have.	Quickly see how many students have submitted an assessment, how many you need to grade. You can see when you have completed grading an item.
Keep Grades Private Until You Are Ready to Post	**View Student Profile**	**Course Announcements Appear as Pop-Ups in the Course**	**Send Messages Instead of Email**
you can control exactly when students are able to see the grades you have entered	Get to know your students with the new profile photos	Announcements appear as pop-ups for each student the next time they enter the course	you and your students can send messages to each other or the entire class. the Messages are kept in the system and can also be sent via email.

## To Experience ULTRA convert your courses by applying the following steps

1 Click on courses tab in the main navigation	2 Choose the course you want to convert to ULTRA	3 Click on the 3 dots in the course module and select " make course private"	4 Once your course is private open the course and choose the "Convert to ULTRA" option in the top right of the page
	0503364_21328_SPRING2019-2020	Edit course image / Make course private / Hide course	

Note: You will have chance to view the ULTRA course and look and then take a decision to proceed or return.
