

# Christina Vetter

christina.vetter@uni-konstanz.de

Allmannsdorfer Strasse 14 • 78464 Konstanz • +49 15775215189

---

## EDUCATION

### University of Massachusetts, Amherst (USA)

- Graduate Exchange Program: Dept of Biochemistry and Molecular Biology Fall 2016

### University of Konstanz, Konstanz (Germany)

- MS candidate Life Science 2017
- BS Life Science 2015

## RESEARCH EXPERIENCE

### University of Massachusetts, Amherst (USA)

Fall 2016

**Independent study:** Forming *Pseudomonas aeruginosa* translocon requires simultaneous incorporation of PopB and PopD (Alejandro Heuck, PhD)

### University of Konstanz, Konstanz (Germany)

**Advanced course Biochemical Pharmacology** (Prof. Thomas Brunner) April - June 2016

Topic: Regulation of Bim, cIAP1 and cIAP2

**Advanced course Gene Expression and Replication** (Prof. Jörg Hartig) March - April 2016

Topic: *In-vivo* Screening of Riboswitch Activity

**Bachelor thesis** (Marina Rubini, PhD) Summer 2015

Topic: Combination of Selective Pressure Incorporation with protein trans-splicing for defined incorporation of Met analogs into protein of interest

## LAB CLASSES

Organic Chemistry I + II, Plantphysiology, Mikrobiology, Animalphysiology, Biochemistry, Inorganic Chemistry I+II, Physical Chemistry 2012 - 2015

## SKILLS

**Languages:** German (native), English (fluent), French (elementary)

**Communication:** Excellent writing and speaking skills in German and English

**Software:** Proficient in MS Office, PyMol, OriginPro 9.0; Experience with ChemDraw, MestReNova, Clone Manager, R x64, EndNote

## EXTRACURRICULAR ACTIVITY

- American Chemical Society, Amherst - member since 2016
- IAESTE (International Association for the Exchange of Students for Technical Experience), Konstanz - member since 2014
- LEI (Local Erasmus Initiation), Konstanz - member 2012 - 2013
- Touchstone Youth Centre, Toronto (Canada) - volunteer Summer 2011

## WORK EXPERIENCE

- EPUCRET Mineralgusstechnik GmbH & Co, Wangen – holiday job in the quality control laboratory June - August 2016

- EPUCRET Mineralgusstechnik GmbH & Co, Wangen – holiday job in the quality control laboratory Sept - Oct 2013
- EPUCRET Mineralgusstechnik GmbH & Co, Wangen – holiday job in the quality control laboratory August - Sept 2012
- J. Gaiser Feinkost, Göppingen – temporary shop assistant Oct 2010 - June 2011
- ERNI Electronics GmbH, Adelberg – holiday job in the manufacture August - Sept 2010
