

# Stefan Grgić

Student of Pharmacy

I am a soon-to-be Master of Pharmacy, who loves, lives and breathes for Science.

Often being characterized as an interesting speaker at the congresses who is participating in two research projects in the field of Analytical Chemistry and Biochemistry at Department of Pharmacy, Faculty of Medicine, University of Novi Sad.

Currently, I am working as an Undergraduate Research Assistant at Research Institute of Medical and Health Sciences, University of Sharjah under supervision of Prof. Taleb AlTel.

## Life Phylosophy

"Nothing in life is to be feared, it is only to be understood.

Now is the time to understand more, so that we may fear less."

Marie Curie
