

# CURRICULUM VITAE

## PERSONAL DATA

**Name:** Dr. Basema Saddik  
**Place of Birth:** Sydney, Australia  
**Nationality:** Australian  
**Email:** [bsaddik@sharjah.ac.ae](mailto:bsaddik@sharjah.ac.ae); [basema.saddik@gmail.com](mailto:basema.saddik@gmail.com)

## 1. ACADEMIC/PROFESSIONAL PARTICULARS

### **(a) Field of Specialization:**

Epidemiology and Public Health, Community Medicine, Health Information Management

### **(b) Academic Qualifications**

1. Doctor of Philosophy, PhD, Public Health and Community Medicine, 2006. The University of New South Wales, Faculty of Medicine. Sydney, Australia.  
*Thesis: Assessing Neurotoxicity of Working Children between the ages of 10-17 in Lebanon.*
2. Master of Public Health, MPH. Public Health and Community Medicine. 1997. The University of New South Wales, Faculty of Medicine, Sydney, Australia.  
*Thesis: Multicultural Access to Community Health Services in Southwestern Sydney Area Health Service*
3. Bachelor of Applied Sciences – Health Information Management 1994. The University of Sydney, Faculty of Health Sciences, Australia.

### **(c) Academic Honors and Awards**

1. *Featured in the 2021 list of “World Ranking of Top 2% Scientists database” (Published by Stanford University)*
2. **Most cited researcher in the UAE** - ResearchGate platform - May 2021
3. **Researcher Award**, King Abdullah International Medical Research Centre – Ministry for National Guard Health Affairs, 2013
4. **Outstanding Research Award** – The University of New South Wales, School of Public Health and Community Medicine, 2005

### **(d) Membership of Professional Bodies**

1. Public Health Association of Australia PHAA
2. Health Information Management Association of Australia HIMAA
3. International Epidemiology Association IEA
4. Australasian Epidemiology Association AEA
5. International Neurotoxicology Association INA
6. National Health Promotion Committee NHPC Australia
7. International Commission on Occupational Health ICOH
8. Scientific Committee on Epidemiology of Occupational Health ICOH
9. Scientific Committee on Neurotoxicology and Psychophysiology ICOH
10. Saudi Arabian Public Health Association SAPHA

**(e) Language Proficiency**

English Spoken: Excellent – Native Speaker

English Written: Excellent

Arabic Spoken: Excellent

Arabic Written: Good

**2. CAREER DETAILS**

**(a) Academic Positions Held**

1. **Professor and Deputy Chair**

Department of Community Medicine and Behavioral Sciences

June 2022 – Present

2. **Associate Professor and Deputy Chair**

Department of Family and Community Medicine and Behavioral Sciences

College of Medicine University of Sharjah

August 2017 – June 2022

3. **Chair – Epidemiology and Biostatistics Unit**

Medical and Health Sciences Campus

University of Sharjah

December 2018 – Present

4. **Associate Professor**

Department of Community and Environmental Health College of Public

Health and Health Informatics

King Saud Bin Abdulaziz University for Health Sciences – Saudi Arabia

November 2015 – August 2017

5. **Assistant Professor** – Department of Health Informatics – College of Public

Health and Health Informatics – King Saud bin Abdulaziz University for Health

Sciences – Saudi Arabia

September 2009 – November 2015

6. **Lecturer** – Faculty of Health Sciences The University

of Sydney Australia Feb 2003 – September 2009

**(b) Professional/Industrial Positions Held**

1. **Epidemiologist** – Population Health Unit, Centre for Research, Evidence

Management and Surveillance, Sydney South West Area Health Service, Australia

February 2007 – September 2009

2. **Research Associate** – The University of New South Wales, School of Public

Health and Community Medicine. NSW Injury Risk Management Research

Centre. Sydney Australia

May 1999 – Feb 2003

3. **Project Officer** – UNICEF Office in Beirut – Lebanon

February 1998 – January 1999

4. **Deputy Health Information Manager** – Ryde Hospital, Northern Sydney Area

Health Service, Sydney Australia.

February 1994 – February 1998

**(c) Administrative Positions Held**

1. **Research Group Coordinator – Clinical Epidemiology Research Group**  
Research Institute of Medical and Health Sciences, University of Sharjah  
November 2019 – Present
2. **Year 2 Coordinator** – MBBS program – College of Medicine  
University of Sharjah, Sept 2018 - Present
3. **Chair** - College of Public Health and Health Informatics (CPHHI) Research  
King Saud bin Abdulaziz University for Health Sciences, KSA March 2013-  
August 2017
4. **Scientific Research Committee Member** – Ministry for National Guard Health  
Affairs, King Abdullah International Medical Research Center (KAIMRC),  
Saudi Arabia January 2012 – August 2017
5. **Undergraduate Studies Coordinator** – Faculty of Health Sciences.  
The University of Sydney, Australia January 2005 – February 2006
6. **Postgraduate Studies Coordinator** – Faculty of Health Sciences.  
The University of Sydney, Australia January 2003 – January 2005

**3. TEACHING**

**(a) Summary of Courses Taught**

- MSc in Diabetes Management (Principles of Diabetes) –  
Teaching and module coordination (2020-Present)
- COMFM Epidemiology of chronic diseases (2017-Present)
- HI540 Research Methods taught 6 semesters (2009-2015)
- HI502 Statistical Analysis taught 6 semesters (2010 -2015)
- HI570 Graduation Project taught 3 semesters (2013 – 2015)
- NURS 323 Epidemiology and Population Health taught 4 semesters (2015-2017)
- APHP612 Reproductive Health taught 1 Semester (2017)
- APHP611 Global Public Health taught 3 semesters (2015-2016)
- APHP621 Public Health and Emergencies Preparedness and Response semester 2  
(2016)

**(b) Participation in Academic Accreditation**

1. **Quality Officer** - NCAAA (National Commission for Academic Accreditation and  
Assessment) Saudi Arabia  
(September 2013 – May 2017)
2. **Committee Member** for CEPH preparation – CEPH (The Council on Education  
for Public Health) Association of Schools and Programs of Public Health  
(April 2014 – August 2017)

**(c) Research Students Supervised/Trained**

<u>Level</u>	<u>Number of Trainees</u>
PhD Students	3
Master Students	46
Undergraduate Students	36

**(d) Participation in Thesis and Oral Examination Committees**

<u>Level</u>	<u>Number of Examinations</u>
PhD Students	4
Master Students	92

**(e) Training**

- 1. Introduction to RStudio**  
New York University-Abu Dhabi StatLab-  
Public Health Research Center  
16<sup>th</sup> May- 6<sup>th</sup> June 2021
- 2. Advanced Certificate in Health Professions Education**  
Medical Education Center  
The University of Sharjah – Sharjah UAE  
Spring Semester 2020-2021
- 3. Basic Certificate in Health Professions Education**  
Medical Education Center  
The University of Sharjah – Sharjah UAE  
Fall Semester 2020-2021
- 4. Global Burden of Disease Study Collaborator Workshop**  
The Institute for Health Metrics and Evaluation (IHME)- University of  
Washington: Workshop conducted at American University of Beirut -Lebanon  
November 2018
- 5. E-learning Pioneers Female Faculty Development Program**  
National Center for E-Learning and Distance Education (KSA) and Online  
Learning Consortium (USA)  
A 15-month long program including face to face and online training workshops,  
USA internship and international conference attendance:  
February 2015 – April 2016
- 5. Qualitative Evidence for Health Care Professionals**  
National and Gulf Center for Evidence Based Health Practice, KSA  
April 2016
- 6. NCAAA Course Report Workshop**  
NCAAA Quality Improvement Program – KSAU-HS, Riyadh  
October 2015

7. **Essentials of Leadership**  
 Technical Institute for Health Training – KSA  
December 2014
8. **Multi-Stage Systematic Review Synthesis Course**  
 National and Gulf Center for Evidence Based Health Practice, KSA  
December 2013
9. **Problem Based Learning Training Workshop**  
 Faculty of Medicine. The University of Western Sydney Australia  
February 2009

#### 4. RESEARCH

##### (a) Research Interests

1. The psychological impact of COVID-19 on populations
2. The effects of the built environment on health and chronic diseases
3. Occupational and environmental exposures to toxins among children and vulnerable populations
4. The Burden of disease and disability associated with tobacco and tobacco alternative products
5. The effect of globalization on newly emerging health issues
6. The use of information systems for improving health outcomes
7. The role of IT in medical and health education

##### (b) Publications/Citations Data

###### Type of Publication

Articles in International Refereed Journals 86

Conference Papers 31

###### Citation Source Number of Citations 16<sup>th</sup> June 2022

Google Scholar 28,245

Research Gate Score 40.75

H-Index 32

i10-index 56

##### (c) Research Grants

###### 1. **Scientific Research Grant**

Role: Principal Investigator

A pilot study of the Mutaba'ah (mother and child cohort study) in Sharjah.

Funding body: University of Sharjah Competitive Grant

October 2021 – October 2023 Funds Granted: (78,000 AED)

###### 2. **Scientific Research Grant**

Role: Principal Investigator

Investigating the risk factors associated with the different cytogenetic abnormalities in childhood acute leukemia in the UAE – A preliminary study

Funding body: University of Sharjah Competitive Grant

December 2020 – December 2022 Funds Granted: (76,000 AED)

- 3. Scientific Research Grant**  
Role: Principal Investigator:  
Epidemiological and clinical characteristics associated with COVID19 severity in hospitalized patients in the UAE-A multicenter retrospective cohort study.  
Funding body: University of Sharjah COVID-19 research grant  
September 2020 – September 2022 Funds Granted: (145,000 AED)
- 4. Scientific Research Grant**  
Role: Principal Investigator:  
An epidemiological study to evaluate the levels of nicotine, carbon monoxide and peak expiratory flow amongst midwakh users in the UAE  
Funding body: Sheikh Hamdan Award for Medical Science Research Grant  
Jan 2019 – Sept 2022 Funds Granted: (180,000 AED)
- 5. Scientific Research Grant**  
Role: Principal Investigator:  
Measuring the levels of carbon monoxide amongst midwakh users in the UAE  
Funding body: University of Sharjah Competitive Research Grant  
Jan 2019 – Jan 2022 Funds Granted: (80,000 AED)
- 6. Scientific Research Grant**  
Role: Co-Investigator:  
Prevalence of exposure to workplace carcinogens among various migrant workers in the UAE  
Funding body: Zayed Center for Health Sciences UAEU  
Jan 2019 – Dec 2021 Funds Granted: (160,000 AED)
- 7. Scientific Research Grant**  
Role: Co-Investigator:  
Worker wellness program: Measuring worker wellness using WHOOP wearable devices in construction workers in the UAE.  
Funding body: EXPO2020  
April 2019 – April 2020 Funds Granted: (800,000 AED)
- 8. Scientific Research Grant**  
Role: Principal Investigator:  
Adolescents' perceptions and behaviours towards tobacco smoking and other tobacco related products in the UAE: An in-depth qualitative study  
Funding body: University of Sharjah Research Board Seed Grant  
April 2018 – April 2020 Funds Granted: (40 000 AED)
- 9. Scientific Research Grant**  
Role: Principal Investigator:  
Perception of neighborhoods on health in a Saudi population  
Funding body: King Abdullah International Medical Research Center (KAIMRC)  
January 2017 – June 2018: Funds Granted: (70 000 SAR)

**10. Scientific Research Grant**

Role: Principal Investigator:

Investigating the educational needs of health information seekers on birthdefects in KSA.

Funding body: King Abdullah International Medical Research Center(KAIMRC)  
April 2012 – June 2013: Funds Granted: (70 000 SAR)

**11. Scientific Research Grant**

Role: Co-Investigator

Mobile SOA Web Services for Intelligent Communication Systems.Application: Healthcare Comprehensive Emergency System.

Funding body: King Abdelaziz City for Science and Technology (KACST)  
October 2011 – October 2014 : Funds Granted: (1 880 000 SAR)

**12. Scientific Research Grant**

Role: Principal Investigator

The impact of urban renewal on the health and well-being of residents inSydney South West Area Health Service Housing NSW Sydney Australia February 2008 – February 2009: Funds Granted: (\$28 000 AUD)

**13. Scientific Research Grant**

Role: Principal Investigator

Work Environment and neurobehavioral performance of children working in small industrial establishments

International Programme for the Elimination of Child Labor (IPEC)International Labor Organization – Regional office, Beirut  
March 2001 – March 2002: Funds Granted: \$18 000 US

**(d) Participation in Regional & International Conferences**

1. 16<sup>th</sup> World Congress for Public Health, Rome, Italy October 2020
2. Turning the tide on HPV and cervical cancer Sharjah, United Arab Emirates, 31<sup>st</sup> January 2019
3. 3<sup>rd</sup> International Conference on Waterpipe Tobacco SmokingResearch- Beirut Lebanon November 2017
4. 15<sup>th</sup> World Congress for Public Health Melbourne Australia April 2017
5. Saudi International Medical Education Conference  
King Faisal University, Riyadh KSA April 2016
6. Online Educa – Shaping the Future of Learning,Berlin Germany December 2015
7. King Abdullah International Medical Research Center Annual Research Forum – Riyadh KSA December 2015
8. 43<sup>rd</sup> Annual Conference of the Public Health Association of Australia.  
Perth Australia September 2014
9. Health Informatics Annual Conference – Melbourne Australia. July2014
10. 14<sup>th</sup> World Congress of Medical and Health Informatics, Copenhagen Denmark. August 2013

11. 10<sup>th</sup> International Urban Planning and Environment Symposium.  
July 2012. Sydney Australia
12. 40<sup>th</sup> Annual Conference of the Public Health Association of Australia. Adelaide Australia. September 2010

## **5. SERVICE**

### **(a) Membership on Conference Committees**

1. **International Congress Council Member**  
16<sup>th</sup> World Congress for Public Health Rome, (October 2020)
2. **Scientific Committee: Member and Session Organizer**  
2<sup>nd</sup> Saudi Epidemiology Conference  
KSA, (November 2016)
3. **Scientific Committee: Session Organizer and Chair**  
10<sup>th</sup> International Symposium on Neurobehavioral Methods and Effects in  
Environmental and Occupational Health, Costa Rica (July 2008)

### **(b) Membership on External COVID-19 Professional Committees**

1. **Expert Member** - National Standard Framework Committee for SARS-CoV2 Virus  
(COVID-19) Genetic Sequence Surveillance in United Arab Emirates  
November 2020- Present
2. **Consultant and Member** - Sharjah Private Education Authority – COVID19  
Monitoring and Evaluation (Contact Tracing) Committee for Private Schools and  
Nurseries in Sharjah  
September 2020-June 2021
3. **Member** - United Arab Emirates National Epidemiology Sub-Committee for  
COVID-19. March 2020-Present

### **(c) Service as Reviewer**

#### **Journals**

1. Scientific Reports (Since February 2021)
2. Cancer Management and Research (January 2021)
3. Cancer Control (Since November 2020)
4. Frontiers in Psychiatry (Since June 2020)
5. Epidemiology and Psychiatric Sciences (Since May 2020)
6. Frontiers of Public Health eISSN: 2296-2565 (Since Jun 2019)
7. PLOS One eISN 1932-6203 (Since Jan 2018)
8. WHO Eastern Mediterranean Health Journal (Since May 2018)
9. International Journal of Environmental Research and Public Health (IJERPH)  
ISSN1661-7827, MDPI (since Dec 2014)
10. British Medical Journal (BMJ) ISN2044-6055, BMA (since Nov 2012)
11. Bulletin of the WHO ISN0042-9686, WHO (since April 2010)
12. Journal of Health Informatics in Developing Countries (JHIDC), ISSN1178-4407  
(since: Mar 2010)
13. Child Abuse and Neglect, ISSN0145-2134, Elsevier (since: November 2008)
14. Neurotoxicology and Teratology, ISSN0892-0362, Elsevier (since: April 2007)

15. Neurotoxicology, ISSN0161-813X, Elsevier (since: July 2005)
16. Health Information Management Journal, ISSN1833-3575, Sage (since: February 2003)

### **Conferences**

1. 16<sup>th</sup> World Congress for Public Health, Italy (October 2021)
2. World Congress of Epidemiology, Australia (September 2021)
3. Australasian Epidemiological Association Annual Scientific Meeting, Australia (October 2019)
4. 24<sup>th</sup> Health Informatics Conference of Australia Melbourne, Australia (July 2016)
5. King Abdullah International Medical Research Center Annual Research Forum – Riyadh KSA (December 2015)
6. 23<sup>rd</sup> Health Informatics Conference of Australia, Brisbane Australia(August 2015)
7. 43<sup>rd</sup> Annual Conference of the Public Health Association of Australia. Perth Australia (September 2014)
8. 22<sup>nd</sup> Health Informatics Conference of Australia, Melbourne Australia(August 2014)
9. 21<sup>st</sup> Health Informatics Conference of Australia, Adelaide, Australia (July2013)
10. 14<sup>th</sup> World Congress of Medical and Health Informatics, Copenhagen Denmark (August 2013)
11. 20<sup>th</sup> Health Informatics Conference of Australia, Sydney Australia (July2012)

### **(d) Membership of Journal Editorial Boards**

1. **Associate Editor** – Frontiers of Public Health (eISSN: 2296-2565 )
2. **Associate Editor** – Frontiers of Psychiatry (eISSN: 1664-0640)
3. **Member of the International Advisory Board** – Journal of Health InformationManagement-Australia ISSN: 1833-3583
4. **Member of Editorial team.** Journal of Health Informatics in DevelopingCountries. ISSN1178-4407

### **(e) Invited Presentations at Scientific Meetings/Workshops**

#### **Scientific Meetings**

1. HBMSU Policy and Strategy Round Table Panelist  
Creating a Resilient Health System in UAE: Lessons from Covid-19 Pandemic  
16<sup>th</sup> February 2021
2. Innovation Arabia 12n UAE – Health and Environment Panel Discussion  
Invited Panelist – Real world experiences of smart health to keep us healthy  
26<sup>th</sup> February 2019
3. Patient safety and medical errors – session chair  
14th World Congress of Medicaland Health Informatics – Danish Society of Medical Informatics, Denmark Copenhagen. 22<sup>nd</sup> August 2013

4. Neurobehavioral impairment in children occupationally exposed to solvents – Where to next? Population Health Research and Evidence Forum, Division of Population Health – Sydney South West Area Health Service.  
13<sup>th</sup> November 2008
5. Evidence of Neurotoxic Effects on working children in Lebanon International Programme for the Elimination of Child Labor (IPEC) and International Labor Organization (ILO). Working group seminar, Beirut – Lebanon.  
16<sup>th</sup> July 2007
6. Difficulties in building evidence of childhood occupational exposure in Lebanon. Evidence-Based Health Care Workshop, School of Health Information Management - The University of Sydney. 14<sup>th</sup> April 2006

### **Scientific Workshops Conducted**

1. Statistical Analysis using SPSS, CREATE training Program, College of Medicine, University of Sharjah, UAE, September 2019 – March 2020.
2. Critical Appraisal Workshop. How to critically appraise research SEHA-Abu Dhabi February 2020
3. Research Methods and Critical Appraisal Workshop Understanding study designs and how to critique research methodology International Family Medicine Conference, Dubai UAE March 2019
4. Introduction to Study Designs – Lecture and Workshop Evidence Based Medicine Foundation Course – KSAU-HS September (2016)
5. Introduction to Study Designs – Lecture and Workshop Evidence Based Medicine Foundation Course – KSAU-HS April (2016)
6. Introduction to Healthcare Statistics Lecture Evidence Based Medicine Foundation Course – KSAU-HS April (2016)
7. Introduction to Study Designs – Lecture and Workshop Evidence Based Medicine Foundation Course – KSAU-HS February (2016)
8. Introduction to Healthcare Statistics Lecture Evidence Based Medicine Foundation Course – KSAU-HS February (2016)
9. Introduction to Study Designs – Lecture and Workshop Evidence Based Medicine Foundation Course – KSAU-HS December (2015)
10. Introduction to Statistics in Healthcare – Full-day Workshop College of Medicine – King Saud University May (2015)

### **Professional seminars/public appearances**

1. Invited Guest – The importance of Public Health, Family and Community Medicine Sharjah TV – Morning Show 30<sup>th</sup> May 2021
2. Invited Speaker – How to get Published in high impact journals Innovation @UAE – The Ministry of Education 26<sup>th</sup> April 2021
3. Webinar presenter and moderator –COVID-19 and Children 15<sup>th</sup> November 2020
4. Webinar chair and moderator – Questions and misconceptions around COVID-19 23<sup>rd</sup> November 2020
5. Webinar presenter and moderator – COVID-19 projections for the Middle East 24<sup>th</sup> November 2020

6. Webinar presenter and moderator – An update on COVID-19 vaccines and the new strain of viruses. 3<sup>rd</sup> February 2021

**(f) University Service**

1. **The University of Sharjah (UOS) – United Arab Emirates**
  - a. UOS Central Academic Committee (Sept 2020 – present)
  - b. Chair, College of Medicine UOS Student Advising Committee (Sept 2019 present)
  - c. UOS Faculty Affairs Central Committee (Sept 2018- June 2020)
  - d. UOS Faculty Grievances Committee (Sept 2019 – June 2020)
2. **King Saud bin Abdulaziz University for Health Sciences, KSA**
  - a. College Council- College of Public Health and Health Informatics (April 2014 – April 2017)
  - b. Chair – College of Public Health and Health Informatics Research Committee (September 2015 – August 2017)
  - c. Committee Member – College of Medicine, Instructional Methods and Creative Learning Committee (January 2016- August 2017)
  - d. Chair – Department of Health Informatics Research Committee (Mar 2013 – September 2015)
  - e. Committee Member- College of Public Health and Health Informatics Admissions Committee (Jan 2012- September 2015)
3. **King Abdullah International Medical Research Center, Ministry of National Guard, KSA**
  - i. Scientific Committee Member (May 2012 – August 2017)
4. **The University of Sydney, Sydney Australia**
  - a. Committee Member of the University of Sydney Undergraduate Studies Faculty Committee (January 2005- January 2006)
  - b. Committee Member of the University of Sydney Postgraduate Studies Faculty Committee (January 2003 – January 2005)
