COLLEGE OF PHARMACY

Teaching Halls

The College of Pharmacy classroom facilities have been equipped specifically to support the active learning delivery of the didactic curriculum. The College classrooms are located in building M23. The classrooms are managed by the deanship of academic support services, which is responsible for equipping the classrooms with the required IT and communication facilities. The classrooms are assigned by the registration administration. Additionally, the College of Pharmacy adapt various teaching methodologies to enhance the process of learning and has established a specialized rooms for such purpose including model pharmacy, team-based learning (TBL), examination rooms, as well as two computer labs.

The technology provided at the College of Pharmacy-University of Sharjah offers students numerous benefits and unique learning features including:

- Desktops
- Interactive teaching tools (a flip board)
- Smart Projector to support the lecturer and thin client to deliver the needed material.
- Internet access.

The system is maintained daily by an expert IT supervisor to ensure its adequate running and operation.
