

## Postgraduate Open Event – Meeting with Senior Students (13<sup>th</sup> Nov 2022)

The college of pharmacy organized a postgraduate open event for years 4 and 5 students, and UOS alumni.

In this interactive gathering, students learnt more about the postgraduate programs and courses offered at the College of Pharmacy. They also got the chance to chat with academics and ask questions. Students got answers to their questions related to the course structure, application process, entry criteria, fees and available scholarships.
