- O Three years' experience of manufacture cosmetic.
- O Umm Al Quwain Municipality, Food Lab from 3 September to 6 September .
- O Ajman Municipality, Central Laboratory Food and Environment Control from 16 September to 13 October 2018.

PARTICIPATIONS:

- o Think science exhibition, Dubai Trade center, (20-22/04/2014).
- o Science open day, University of Sharjah, (2-7/02/2015).
- o Third Sharjah Science festival, University of Sharjah, (5-6/02/2014).
- o Chemistry in our life, Al Masah School for girls, Dibba Al-Fujairah, (26/11/2014).

o Think science exhibition, Dubai Trade center, (15-16-17-18 /04/2018).

GENERAL ACTIVITIES ;

- o Member of the Royal Chemical Society.
- o license of Manufacture of cosmetics and perfumes.

CHEMISTRY LABORATORY SKILL:

- o Chemistry: quality control calibration
- o Training course for DLS (Dynamic light scattering) – UV-VIS Spectroscopy
- o Training course for Food Quality Lab Training on a machines (MilkoScan) ,(HPLC chromatography), (Moisture Analyzer - MB35 Advanced),(Mycotoxin tests - Vicam fluorometer) ,(food radiation detector).
- o Training for water test (Free chlorine test , conductivity , TDS , PH)

PROFESSIONAL SKILLS:

- o Team work
- o Problem solving
- o Time management skills
- o Communication skills.

SOFTWARE KNOWLEDGE:

- o Microsoft Office
- o Photoshop
- o Flash and movie maker

LANGUAGE SKILLS:

Arabic - Native speaker
English – good
