COLLEGE OF SCIENCES

The College of Sciences has fostered the following activities during Spring

(April – May) 2022-2023:

- 1- [SPECIAL CLASSES OF MATRICES by Dr. Mohammad Ghalib AL Akhrass on 13th April 2023](#)
- 2- [Sharjah International Conference on Physics of Advanced Materials - SICPAM on 25-27 April 2023](#)
- 3- [Graphical Characterizations of some integral domains on 27th April 2023](#)
- 4- [The Posters workshop on genetic-engineering research integration in teaching on 27th April 2023](#)
- 5- ["Economic Impact of Research – Innovation and Commercialization of Nanotechnology" by Prof. Jackie Yi-Ru Ying on 1st May 2023](#)
- 6- [The Science Fair Festival for the High School Students on 2nd May 2023](#)
- 7- [Chemistry Senior Research – Presentations Spring 2022-2023 on 3rd May 2023](#)
- 8- ["Poster Exhibition Day" on 4th May 2023](#)
- 9- [M.Sc. Thesis Defense Presentation on 9th May 2023](#)
- 10- [M.Sc. Thesis Defense Presentation on 9th May 2023](#)
- 11- ["Fe₃O₄@SiO₂ supported Co\(III\) amine-bis\(phenolate\) complex as highly efficient recyclable catalyst for the CO₂ fixation to cyclic carbonates at mild conditions" By Dr. Kamrul Hasan on 17th May 2023](#)
- 12- [The Students' Research Projects Defense Day Spring 2022 – 2023 on 17th May 2023](#)
- 13- [CLOSING CEREMONY 2023 on 22nd May 2023](#)
- 14- [Simulations Workshop organized by Chemistry Department, College of Sciences on 23rd May 2023](#)
