CFA university affiliation program

The Department of Finance and Economics is proud to announce that our program the “BSc. in Finance” program has been recognized as an affiliated program by the [CFA institute](http://www.cfainstitute.org). This institute grants the most prestigious international professional certificates such as CFA and many others. Accordingly, our University has been added to the list of the affiliated universities, to become the first affiliated University in the UAE.

Please note that the universities affiliation program reflects how academically distinguishable and solid our program is and will positively contribute to the reputation of our university and our College internationally.

For our expected graduating students, if you are interested to obtain this prestigious certificate (CFA), as an affiliated program, we have the right to get some seats for scholarship. In this regard, you can apply and we will try to help you.

Congratulations for everyone in the College of Business Administration for this great achievement.
