DoB: 12th September 1988

➤ Objectives

University of Sharjah Proud Graduate in 2011, worked as General Dentist and Medical Director in the UAE. I regularly attend and participate in as many Dental Conferences and events as I can to stay up to date on the latest advancements in dentistry and to keep my practice on par with the latest evidence-based dentistry approaches. I am certified to do Dental aligners and a Member of the American Academy of Cosmetic Dentistry. Combining my studies and experience I am able to tackle the most difficult treatments with the best approach possible and give my patients only the best possible outcome. My goal is to raise dental treatments to the highest standards based on the latest in technology and evidence-based approach to treatments.
