

Curriculum Vitae

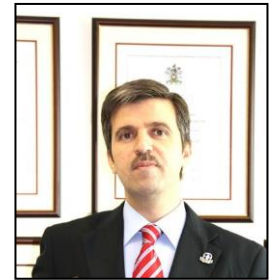

Suhail Hani Al-Amad

Current address

College of Dental Medicine, University of Sharjah; UAE

Tel. +971 6 505 7304

E-mail: salamad@sharjah.ac.ae

Citizenship

Jordanian and Australian

Current Positions

Academic Positions

- **Associate Professor** of Oral Medicine. University of Sharjah

Clinical Positions

- **Consultant Oral Medicine.** Center of Excellence. University Dental Hospital Sharjah UDHS
- **Part-time Consultant Oral Medicine.** University Hospital Sharjah UHS (*UHS is a 300+ bed private hospital, that is JCI-accredited*)
- **Head of the Oral Medicine discipline.** College of Dental Medicine. University of Sharjah

Leadership Positions

- Chairman of the Licensing Board. Dubai Healthcare City Authority (DHCA)
- Chairman of the Research Ethics Committee. University of Sharjah
- Chairman of the Infection Control Committee. University Dental Hospital Sharjah
- Deputy Chairman of the Research Ethics Committee. Dubai Healthcare City Authority (DHCA)
- Team Leader of the Infection Prevention and Control IPC team, responsible for making preparations for the University Dental Hospital Sharjah's accreditation by Accreditation Canada

Others

- International Surveyor with Accreditation Canada.

Qualifications (Academic and Professional)

Academic Qualifications

- **Doctor of Clinical Dentistry in Oral Medicine.**
University of Melbourne, Australia. Dec 2006.
- **Graduate Diploma in Oral Pathology & Medicine.**
University of Melbourne, Australia. Dec 2004.
- **Graduate Diploma in Forensic Odontology.**
University of Melbourne, Australia. Dec 2003.
- **Graduate Certificate in Research Ethics.**
University of Maryland, Unites States of America. Aug 2007.
- **Bachelor of Dental Science.**
University of Jordan. Jul 1998.

Professional Qualifications*

- **Australian Board in Oral Medicine**
The Dental Board of Australia. Jul 2013.
- **Fellowship in Oral Medicine (FRACDS-Oral Med)**
The Royal Australasian College of Dental Surgeons RACDS, Sept 2010.
- **Australian Board in General Dentistry**
The Dental Board of Australia. Oct 2004.
- **Membership of RACDS in Oral Medicine (MRACDS-Oral Med)**
The Royal Australasian College of Dental Surgeons RACDS, Jul 2008 - Sept 2010.
- **Jordanian Medial Council Certificate in Oral Medicine**
Jordanian Medical Council, Feb 2007.
- **Australian Dental Council Certificate (ADC)**
Australian Dental Council, Oct 2004.

* *By examinations*

Languages

- Arabic (native language).
- English (fluent), TOEFL score is (247 / 300), Occupational English Test OTC (Pass).
- French (good) Certificate of the French National Diploma Exam DELF (A1, A2, A3, and A4 levels).

Honors and Awards

Research Awards

- **AEEDC Young Researcher Award.** Presented at the AEEDC 2015 Conference for my paper titled “*Oral cancer in young Jordanians: a potential association with the frequency of Narghile smoking*”. Date received: February 2015.
- **Best Poster Presentation (Second Place).** Presented at the Second Sharjah International Dental Conference for my abstract titled “*Attitudes of Patients towards Dental Research Participation*”. November 2008.

Police Medal

- **Australian Federal Police Operations Medal,** in recognition of my contribution to the identification of the tsunami victims in Thailand in 2005. Bestowed by the Chief of the Australian Federal Police. April 2011.

Awards for student research projects which I supervised

- **Best Oral Presentation (Third Place).** Presented at the 5th International Student Dental Conference for the paper titled “*The Effect of Fingernail length on the Integrity of the Examination Gloves*”. February 2017.
- **Best Oral Presentation (Second Place).** Presented at the First International Student Dental Conference for the paper titled “*Is the Human Bite Unique?*”. March 2013.
- **Best Oral Presentation (First Place).** Presented at the Third Sharjah International Dental Conference for the paper titled “*Prevalence of Needle Stick Injuries Among Dentists in the UAE*”. December 2011.

Distinguished Appreciations

- **The University of Sharjah Incentive Award** in the field of Community and University Services. May 2016.
- **Appreciation Certificate.** Presented by Brigadier Saif Al-Ameri, Director General of the Internal Security at Abu Dhabi Police GHQ in recognition of my efforts in training the Disaster Victim Identification DVI Forensic Odontology team. December 2012.
- **Appreciation Certificate.** Presented by Brigadier Saif Al-Ameri, Director General of the Internal Security at Abu Dhabi Police GHQ in recognition of my efforts in completing the Professional Diploma in Forensic Odontology, which was delivered to officers from Abu Dhabi Police following a 3-year program. May 2013.
- **Appreciation Plaque.** Presented by The Australian Federal Police for my contribution to the identification of the victims of the Indian Ocean tsunami in 2005. Mar 2005.
- **Appreciation Certificate.** Presented by The Chief Justice of Victoria in recognition of my contribution to the identification of the victims of the Bali bombings in 2002. Dec 2002.

Scholarships

- **Study Scholarship.** By the National Institutes of Health (USA), to undertake the Certificate Program on International Research Ethics at the University of Maryland School of Medicine in Baltimore, USA. 2007-2008.
- **Fellowship Award.** By the World Health Organization, to undertake the Diploma and Doctorate degrees at the University of Melbourne, Australia. 2002-2005.

In addition to many appreciation plaques and certificates from governmental and non-governmental institutes for delivering talks and seminars in the fields of Oral Medicine, Forensic Odontology, Infection Control and Professional and Research Ethics.

Research Activities

Books, Manuals and Appendices

1. **Al-Amad Suhail H.** Responsible Conduct of Research (Book Chapter). In: Research Ethics in the Arab Region. Editor: Professor Henry Silverman. Springer Publishers. Jan 2018.
2. **Al-Amad Suhail H.** Forensic Odontology (Appendix). In: Forensic Autopsy. Manual for Forensic Pathologists. Editor: Professor Stephen Cordner. Written for the Palestinian Ministry of Justice. Published by the United Nations Office on Drugs and Crimes UNODC. Funded by the Canadian Government (Foreign Affairs, Trade and Development Canada). Oct 2015.

Articles in Peer-Reviewed Journals (Full Text)

1. **Al-Amad SH.** El-Saleh A. Elnagdi A. Al-Nasser F. Alsallemei S. Fingernail length as a compromising factor to perforations of latex gloves: a simulated clinical experiment. Eastern Mediterranean Health Journal. Accepted 20th May 2018.

14. Al-Amad SH. *Multi-Professional Approach Towards Safer Health Care Practice*. 3rd Multi-Professional Day for Medical Colleges at the University of Sharjah. Sharjah 2011. (*Guest Speaker*)
15. Al-Amad SH, McCullough MJ, Jaloudi M. *Oral cancer in the United Arab Emirates. A descriptive analysis*. 10th Biennial Conference of the European Association of Oral Medicine. London 2010.

16. Al-Amad SH, Awad M, Silverman H. *Motives and Concerns to Participation in Dental Research*. 88th International Association of Dental Research IADR General Session. Barcelona 2010.
17. Al-Amad SH, McCullough MJ, Angel CA. *Measuring immune-histochemical expression of proteins using virtual microscopy: A novel objective assessment method**. 2nd World Congress of the International Academy of Oral Oncology. Toronto 2009.
18. Al-Amad SH. *Dentistry serving justice: A spotlight on Forensic Odontology*. UAE International Dental Conference and Arab Dental Exhibition AEEDC. Dubai 2009. (Guest Speaker)
19. Al-Amad SH, Silverman H. *Attitudes of patients towards dental research participation*. The 2nd Sharjah Dental College and the 14th EMA International Dental Conference. Sharjah 2008.
20. Al-Amad SH, Haddidi M. *Disaster Victim Identification; current challenges and future hopes*. The 42nd Pan Arab Medical Congress. Amman 2008.
21. Al-Amad SH, Haddidi M. *Identification of mass disaster victims; how nations responded to the 2004 Tsunami disaster*. The 1st Regional Medical Conference on Disaster Management. The Jordanian Royal Medical Services. Amman 2007. (Guest Speaker)
22. Al-Amad SH, *Computer programs assisting in disaster victim identification*. 1st Arab International Forensic Sciences and Forensic Medicine Conference. Naif Arab University of Security Science. Riyadh 2007.
23. Al-Amad SH. *Virtual microscopy as an objective method to assess the expression of tumour markers in oral mucosal lesion**. The 5th International Conference on Medical Science. The National Research Institute. Cairo. Dec. 2006. (Guest Speaker)
24. Al-Amad SH. *Identification of victims with no dental records*. Khartoum's First Conference of Forensic Medicine. Khartoum. Nov. 2006. (Guest Speaker)
25. Al-Amad SH, McNaughtan J, Rowler D, Angel CA, McCullough MJ, Reade PC. *Comparison by digitization of markers of neoplasia in oral mucosa**. 84th International Association for Dental Research IADR. Brisbane. July 2006.
26. Al-Amad SH, McNaughtan J, Rowler D, Angel CA, McCullough MJ. *The expression of PDI (protein disulfide isomerase) in potentially malignant and malignant oral mucosal conditions**. 13th International Congress on Oral Pathology and Medicine. Brisbane. June 2006.
27. Al-Amad SH, McNaughtan J, Rowler D, Angel CA, McCullough MJ. *Expression of ADAM-12 (a disintegrin and metalloprotease) in potentially malignant and malignant oral mucosal lesions*. 13th International Congress on Oral Pathology and Medicine. Brisbane. June 2006.
28. Al-Amad SH, McNaughtan J, Rowler D, Angel CA, McCullough MJ. *Expression of ADAM-12 (a disintegrin and metalloprotease) in Keratocystic Odontogenic Tumour (KCOT)*. 13th International Congress on Oral Pathology and Medicine. Brisbane. June 2006.
29. Al-Amad SH, Graham JP, McCullough MJ, Clement JG, Hill AJ. *Photographic superimposition using Adobe® Photoshop®: a novel user-friendly method*. 18th International Symposium on the Forensic Sciences. Perth. April 2006.
30. Hill AJ and Al-Amad SH. *Craniofacial injuries. The other role of Forensic Odontologists*. 18th International Symposium on the Forensic Sciences. Perth. April 2006.

*Papers extracted from my Doctoral thesis.

Research grants

1. University of Sharjah Competitive Grant No. 1801100136), for the research titled: Prevalence and clinical characteristics of hepatitis C infection in patients with oral lichen planus: A case-control study from the UAE.
PI: Dr. Suhail Al-Amad
Amount = AED 80,000
2. University of Sharjah Competitive Grant No. 16011001020-P, for the research titled: Vitamin D deficiency in patients with Recurrent Aphthous Stomatitis: a case-control study from the UAE.
PI: Dr. Suhail Al-Amad
Amount = AED 74,088
3. Al-Jalilah Foundation Research Grant No. AJF 201542 for the research titled: Oral Health- Related Quality of Life among Type 2 Diabetic Arab Patients in the UAE.
(co-author)
PI: Professor Manal Awad
Amount = AED 227,840
4. University of Sharjah Seed Grant No. 091004, for my research titled: Oral cancer in young Jordanians: a potential association with the frequency of Narghile smoking.
(principle investigator)
PI: Dr. Suhail Al-Amad
Amount = AED 17,000

Experiences in Academia

Permanent and honorary academic positions

- **Sept 2017-present**; Head of Oral Medicine discipline. University Dental Hospital Sharjah.
- **Aug 2008 – Jul 2017**: Assistant Professor of Oral Medicine. College of Dental Medicine, University of Sharjah, UAE.
- **Jul 2017 - present**; Associate Professor of Oral Medicine. College of Dental Medicine, University of Sharjah, UAE.
My teaching covers the following topics;
 - Oral Medicine (Year 4)
 - Oral Diagnosis (Years 3 and 4)
 - Forensic Odontology, Ethics and Law (Years 1 and 5)
 - Infection Control in Dentistry (Years 1 and 3)
 - Forensic Odontology to College of Science students.
- **Sept 2015 - present**; Honorary visiting lecturer for the Master's degree in Forensic Sciences. Academy for Police Sciences, Sharjah, UAE.
- **Jul 2014 – Jul 2017**; Adjunct Senior Lecturer, Faculty of Medicine Nursing and Health Sciences. Monash University, Australia.
- **Aug 2006 - Jul 2008**; Honorary visiting lecturer for the Ethics and Law course of the Master's degree in Forensic Science. Jordan University of Science and Technology, Jordan.
- **Aug 2006 - Jul 2008**; Honorary visiting lecturer at the Police Academy, Directorate of Public Security, Jordan.
- **Mar 2002 - Nov 2005**; Casual tutor on Oral Anatomy, Histology, Oral Pathology and Medicine. Melbourne Dental School, the University of Melbourne, Australia.

Occasional and visiting academic activities

- **Mar 2014**; Presenter at the “A Walk-Through Forensics” Conference for medical students at the Arabian Gulf University. Manama, Bahrain. (This is an annual conference for medical students during which the students themselves select an area which they would like to learn more about). During this conference, I was invited to present the following:
 - **A talk titled**: The Art and Science of Human Identification
 - **A talk titled**: The role of Forensic Odontologists in Solving Crimes
 - **A talk titled**: Photo-documentation of injuries for the medical practitioner
 - **A 4-hour workshop titled**: Disaster Victim Identification
- **Mar 2012**; Visiting academic to Ajman University of Science and Technology to lecture to the MSc students titled: Forensic Odontology.
- **Jan 2012**; External examiner to Gulf Medical University to examine their students in Oral Diagnosis.

Clinical Teaching

- **Aug 2008 - present;** In charge of the Oral Medicine Teaching Clinic for 4th year dental students. University Dental Hospital Sharjah, UAE.

This daily specialized clinic is entirely dedicated to complement students' theoretical knowledge in Oral Medicine and Pathology. During this clinic, students examine patients with mucosal lesions, non-odontogenic pains and challenging medical conditions. Students also observe oral biopsies of suspicious and potentially malignant and malignant oral lesions.

Supervision of Student Research Projects

- **2011 - present;** I supervised several student research projects, the most prominent of which are listed below.

	Research Title	Awards (if any)	Date of research presentation	Conference
1	The Frequency of Sharp Tool Injuries among Dentists in the UAE	First place in the oral presentation award category	December 2011	First Sharjah International Dental Conference
2	Assessment of the Diversity and Individuality of Adult Dentition	The conference organizers provided full sponsorship for one of the student researchers to present this research at the 1 st Saudi Forensic Medicine Conference	February 2012	The 1 st Saudi Forensic Medicine Conference
3	Is the Human Bite Unique?	Second place in the oral presentation award category	March 2013	Second International Student Dental Conference
4	Dental Professionals' Knowledge and Attitudes towards Child Abuse		March 2014	Third International Student Dental Conference
5	The Hijab and Cross Contamination; A Closer Look at the Neglected Element of the Uniform.		March 2014	Third International Student Dental Conference
6	Effect of Length of Fingernails on the Leakage Rate of Latex Examination Gloves in Dentistry	Third place in the oral presentation award category	February 2017	Fifth International Student Dental Conference
7	Importance of Palatal rugae in human identification		Ongoing	
8	Dentists' Knowledge of oral cancer		Ongoing	
9	Role of pharmacists' in diagnosing common oral mucosal diseases		Ongoing	

Experience as a Trainer on Research Ethics

I have been a faculty of 6 training workshops on research ethics in Jordan, Bahrain, United Arab Emirates and Morocco between 2010 and 2015. Those workshops were organized by the Middle East Research Ethics Training Initiative MERETI (sponsored by the US National Institutes of Health, and hosted by the University of Maryland Baltimore).

The list below outlines the workshops on research ethics, of which I was a member of the training team.

	Date	City/Country	Attendees	Approximate No. of participants
1	31 st July 2010	Amman, Jordan	Research Ethics committee members working in pharmaceutical and drug research companies.	70
2	18 th -22 nd Mar 2012	Amman, Jordan	Academics and researchers from several countries in the Middle East	40
3	4 th -7 th Jan 2014	Manama, Bahrain	Academics and researchers from Arab Gulf University, as well as from other Gulf states	30
4	1 st -3 rd Mar 2014	Abu Dhabi, UAE	Research Ethics Committees in Abu Dhabi (HAAD and SEHA)	60
5	9 th Feb 2015	Sharjah, UAE	Researchers and members of the Research and Ethics Committee of the University of Sharjah	30
6	1 st -3 rd Mar 2015	Marrakesh, Morocco	Researchers and members of the Research Ethics Committees from various governmental and academic institutes in Morocco and other north African states	30

Professional experiences

Clinical Experience as a Consultant in Oral Medicine and as a General Dentist

- **Apr 2018 - present**; Part-time Consultant Oral Medicine. Out-Patient and In-Patient Departments, University Hospital Sharjah.
(this is a 300+ bed private hospital that is JCI-accredited. My consultation services include a half-day out-patient clinic in addition to in-patient consultations)
- **May 2016 - present**; Consultant Oral Medicine at the Centre of Excellence (a private-practice clinic). University Dental Hospital Sharjah, UAE.
- **Aug 2008 - May 2016**; Specialist in Oral Medicine at the Centre of Excellence (a private practice clinic). University Dental Hospital Sharjah, UAE.
- **5th Aug 2014 - 20th Aug 2014**; Visiting Oral Medicine Specialist. Oral Medicine Department. The Royal Dental Hospital of Melbourne, Australia.
- **Apr 2007 - Aug 2008**; Oral Medicine specialist. Ministry of Health, Jordan.
- **Nov 2004 - Jun 2006**; Casual Dentist at Emergency Service of the Royal Dental Hospital of Melbourne, Australia.
- **Nov 2005 - Apr 2006**; Part-time Dentist at Special Needs Unit of the Royal Dental Hospital of Melbourne, Australia.
- **Feb 2004 - Feb 2006**; Honorary Clinical Associate at the Royal Melbourne Hospital/Dermatology department, Australia.
- **Dec 1998 - Dec 2001**; General Dentist at the Ministry of Health, Jordan.

Experience as a Forensic Odontologist

- **Feb 2002 - present**; Expert witness in several forensic cases (mainly in Jordanian courts).
- **Mar 2010 - Nov 2013**; Consultant and trainer to Abu Dhabi Police (a 3-year part-time contract) on Forensic Odontology.
- **16th - 28th Jan 2011**; Trainer and co-organizer of the Forensic Odontology intensive training course to Abu Dhabi Police Forensic Odontology Team, conducted at the Victorian Institute of Forensic Medicine, Melbourne.
- **21st - 25th Jun 2009**; Consultant to the World Health Organization (Jordan country office) to write the first draft of the national guidelines on Disaster Victim Identification DVI.
- **Aug 2006 - Aug 2008**; Forensic Odontologist, National Institute of Forensic Medicine, Jordan.
- **Feb 2002 - Jul 2006**; Forensic Odontologist, Victorian Institute of Forensic Medicine, Australia.
- **Mar 2005 and Aug 2005**; Member of the Australian forensic identification team for the victims of the Tsunami disaster.
- **Oct 2002**; Member of the Australian forensic identification team for the victims of the Bali disaster.

University Services

Institutional Publications

The following are lists of the publications (Manuals, Guidelines, Regulations, Policies and Annual Reports) which I wrote between 2009 and 2017:

Manuals

- **Manual on Infection Control in Dental Clinics**
 - This manual was prepared for dental students, interns and residents to guide them through the correct infection control practices at the University Dental Hospital Sharjah.
- **Manual on Forensic Odontology**
 - This manual was prepared for the students of the Professional Diploma in Forensic Odontology, which I was in charge of, and which was exclusively offered to Abu Dhabi Police.
(This document is part of a 3-year consultancy and training contract signed between the University of Sharjah and the Ministry of Interior UAE, for which I was the Consultant).
- **Manual on Digital Bite Mark Analysis**
 - This manual was prepared for the students of the Professional Diploma in Forensic Odontology, which I was in charge of, and which was exclusively offered to Abu Dhabi Police.
(This document is part of a 3-year consultancy and training contract signed between the University of Sharjah and the Ministry of Interior UAE, for which I was the Consultant).

Guidelines, Regulations and Policies

During my employment at the University of Sharjah, I wrote the following guidelines and policies to organize the daily operations of the dental clinics.

- Code of Conduct for students of the College of Dental Medicine
- Proposed Clinical Operations (Emergency Versus Primary Care)
- The UDHS policy regarding treating patients
- Patients' rights and responsibilities
- List of medications used at UDHS
- Complaint form for UDHS patients
- Regulations of infection control in UDHS
- Violations to infection control in UDHS
- Policy regarding needle prick injury
- Policy regarding treating patients with infectious diseases
- Policy regarding safe disposal of LA needles
- Policy regarding handling extracted teeth
- Policy regarding clinical photography
- Policy regarding informed consent
- Flow-chart for all UDHS patients
- Medical questionnaire in Arabic
- Medical questionnaire in English
- Informed consent for a biopsy in Arabic
- Informed consent for a biopsy in English

Terms of Reference

- Terms of Reference for the Infection Control Committee
- Terms of Reference for the Student Disciplinary Committee
- Terms of Reference for the Research Ethics Committee

Annual reports

- Research Ethics Committee annual reports (2015, 2016, 2017)
- Infection Control Committee annual reports (2013, 2014, 2016, 2017)
- Oral Medicine Teaching Clinic annual reports (2013, 2014, 2015, 2016, 2017)

Chairmanship and Membership of University Committees

	My position	Committee's level	Committee	Years
Chairmanship				
1	Chair	University	Research Ethics Committee	2015 - present
2	Chair	College	Infection Control Committee	2017 – present
3	Chair	College	Academic Advising Committee	2017 - 2018
4	Chair	College	Infection Control Subcommittee	2010 – 2017
5	Chair	College	Students' Research Ethics Committee	2015 – 2016
6	Chair	College	Students' Disciplinary Committees	2009 – 2016
7	Chair	College	Space Utilization Committee	2013 - 2014
8	Chair	College	Clinical Quality Assurance Committee	2009-2012
Membership				
1	Member	University	Student Affairs Committee	2018 - present
2	Member	University	Tissue Bank Committee	2017 (ad-hoc)
3	Member	University	Reviewing students' external training and graduation projects committee	2017 (ad-hoc)
4	Member	University	Health Insurance Committee	2011 - present
5	Secretary	College	College Council	2017 - present
6	Member	College	College Council	2010 - present
7	Member	College	Examination Committee	2011 - present
8	Member	College	UDHS Ethics Committee	2019 – present
9	Member	College	Clinical Quality and Safety Committee	2012 – present
10	Member	College	Faculty Conference Attendance Committee	2014 - 2018
11	Member	University	Faculty Affairs Committee	2011 - 2014
