

Atidel Aboubaker Ben Hadj-Alouane, Ph.D., Eng.

Professor of Industrial Engineering

University of Sharjah

27272 Sharjah, UAE

Tel: +971 6 5053927

Email: aalouane@sharjah.ac.ae; atidel.hadj@enit.utm.tnGoogle Scholar: <https://scholar.google.com/citations?hl=fr&user=98rOyBQAAAAJ>ResearchGate: <https://www.researchgate.net/profile/Atidel-Hadj-Alouane>Scopus: <https://www.scopus.com/authorid/detail.uri?authorId=6507637113>**CURRENT APPOINTMENT**

PROFESSOR, CHAIR	Department of Industrial Engineering and Engineering Management University of Sharjah	Sept., 2022+
------------------	--	--------------

FORMER APPOINTMENTS

FULL PROFESSOR	Department of Industrial Engineering and Engineering Management University of Sharjah	2021-2022
FULL PROFESSOR	Department of Industrial Engineering National Engineering School of Tunis University of Tunis El Manar	2011-2021
CO-FOUNDER & DIRECTOR	Ph.D. Program in Industrial Engineering National Engineering School of Tunis University of Tunis El Manar	2014-2021
FOUNDING DIRECTOR	OASIS Laboratory National Engineering School of Tunis University of Tunis El Manar	2005-2020
INVITED PROFESSOR	University of Lorraine, France.	March 2015
ASSOCIATE PROFESSOR	Department of Industrial Engineering National Engineering School of Tunis University of Tunis El Manar	Nov. 2005 Feb. 2011
CO-FOUNDER & DIRECTOR	Masters' Program in Industrial and Systems Engineering National Engineering School of Tunis University of Tunis El Manar	Sep. 2006 June 2013
ASSISTANT PROFESSOR	Department of Industrial Engineering National Engineering School of Tunis University of Tunis El Manar	Sep. 1997 Oct. 2005
ASSISTANT RESEARCH SCIENTIST	ITS Laboratory The University of Michigan, Ann Arbor	Jan. 1995 July 1997
POST-DOCTORAL FELLOW	ITS Laboratory The University of Michigan, Ann Arbor	Jan. 1994 Dec. 1994

EDUCATION

- Dec. 1994 **Ph.D. in Industrial and Operations Engineering**, The University of Michigan, Ann Arbor, USA
Thesis title: A dual genetic algorithm for nonlinear integer programs.
- Dec. 1992 **M.S.E. in Industrial and Operations Engineering**, The University of Michigan, Ann Arbor, USA
- July 1987 **Advanced Engineering Diploma in Industrial Engineering**, The National Engineering School of Tunis, Tunisia.

RESEARCH INTERESTS

- ❖ Artificial intelligence for optimization in the context of Industry 4.0
- ❖ Design and management of integrated logistics systems & green logistics
- ❖ Risk management in supply chains
- ❖ Development of decision support systems based on combinatorial optimization
- ❖ Application of Operations Research to service systems (Telecommunications, Cloud systems and infrastructure, Health systems, etc.)

EXPERTISE IN RESEARCH AND DEVELOPMENT

- ❖ **Tunisian Ministry of Transport**: Strategy development for promoting the multi-modal transport system.
- ❖ **Tunisian Ministry of Industry**: Co-founder and board member of the professional masters' program on Modernization and Optimization for Enterprises (**MOME**), for the Tunisian Virtual University.
- ❖ **Tunisian TELECOM Company**: Integrated dimensioning and routing in telecommunication systems.
- ❖ **SONEDE (Tunisian Water Distribution Company)**: Optimization of energy consumption in a network of water pumping stations.
- ❖ **University of Minnesota**: Asset Management; Risk mitigation in supply chains.
- ❖ **Ecole Polytechnique de Montréal**: Decision support systems for reverse logistics.
- ❖ **Grenoble-INP**: Optimal planning in health care systems; Integrated supply chain design; Green logistics; Supply chain design under uncertainties.
- ❖ **University of Lorraine**: development of reliability based approaches for supply chain performance measure and optimization.
- ❖ **The University of Michigan Intelligent Transportation laboratory**: Manager of simulation and modeling team, working on the evaluation of advanced traffic and route guidance systems and infrastructures.

DISTINCTIONS

- 2007 **Best Student Paper Award at the International Conference on Industrial Engineering and Systems Management (IESM), China.**
- 1994 **Nominated member of Sigma Xi, The Scientific Research Society.**
- 1993 **Graduate Distinguished Achievement Award, The University of Michigan.**

TEACHING & STUDENT SUPERVISION

Main courses:

- ❖ Integrated Supply Chain Design
- ❖ Logistics Management
- ❖ Production Scheduling
- ❖ Production Management
- ❖ Applied Statistics for Engineers
- ❖ Engineering Management
- ❖ Process Design
- ❖ Operations Research
- ❖ Discrete Optimization

Student supervision:

- ❖ Ph.D. students (11)
- ❖ Master's students (over 45)
- ❖ Bachelor's students (over 60)

OTHER ACADEMIC & RESEARCH ACTIVITIES

- ❖ Member-elect of ENIT Scientific Board (2011-2013)
- ❖ Leading member of academic program committee in charge of modernization and reform for Industrial Engineering at ENIT.
- ❖ Member of the national committee for accreditation of undergraduate and graduate engineering programs in Tunisia.
- ❖ Regular member of Tunisian national committees for recruiting and promoting faculty members within the Ministry of Higher Education and Scientific Research.
- ❖ Principal Investigator of CMCU Franco-Tunisian research projects on *Integrated & Green Logistics* (2008-2016).
- ❖ Co-president of Program Committee of the International Conference on Modeling and Simulation (MOSIM, 2010), and regular member of program committees of various international conferences (IESM, CIGI, CIE, ILS, etc.).

PUBLICATIONS (35 journal papers & 65 conference papers)

Selected journal papers
