

List of scholarly activities:

MDI

No.	Event Name	Type*	Scope**	Date	Beneficiaries
1.	14th International Symposium on Radiation Physics - skin dose to quantify dose-creep for skull digital radiography by Dr. Entesar Zawam Dalah	Conferences	International	Oct (7-11), 2018	Physicist, Medical Physicist and Health Physicist
2.	14th International Symposium on Radiation Physics - Estimation of organ's effective dose in patients undergoing chest X-ray examination using Monte Carlo simulation by Dr. Hussein M Elmehdi and Dr. Entesar Zawam Dalah	Conferences	International	Oct (7-11), 2018	Physicist, Medical Physicist and Health Physicist
3.	Shiekh Hamdan Bin Rashid Al Maktom Award for Medical Sciences in cooperation with Dubai Health Authority - A talk "Radiation protection of workers in nuclear medicine" Making patients and staff safer in radiological imaging By Dr. Entesar Zawam Dalah	Workshop	National level	March (25-27), 2018	Medical Physicist, Radiographic Technologists, and NM Technologists
4.	2nd Sciences & engineering research groups	Forum	University level	April 9th, 2017	Sciences & Engineering's & Medical Researchers
5.	Interdisciplinary collaboration-Medical & Health Sciences & Science & Engineering	Workshop	University level	April 13th, 2017	Sciences & Engineering's & Medical Researchers
6.	IAEA Workshop	Workshop	National level	May 4th, 2017	Radiologists, Technologist, MDI Students
7.	Workshop on Quality Control in General Radiography By Dr. Mohammed Abdelfatah & Dr. Wiam Elshami	Workshop	National level	Oct 18th, 2017	MOH Employee
8.	International Radiology Day	Symposium	National level	Nov 8th, 2016	Radiologists, Technologist, MDI Students
